Defendants.

C.A. No. 1:18-cv-11997-NMG

**DECLARATION OF SEAN MULCAHY IN SUPPORT OF MOTION TO COMPEL
ARBITRATION, STAY PROCEEDINGS, AND STRIKE CLASS ALLEGATIONS**

Pursuant to 28 USC § 1746, I declare as follows:

1. I am over eighteen years of age, I am competent to make this Declaration, and I am authorized to make this Declaration on behalf of Midland Credit Management, Inc. (“MCM”) and Midland Funding LLC (“Midland Funding”).

2. I am the Manager of Media Operations for MCM. MCM is the servicer and authorized agent for Midland Funding and manages the accounts that Midland Funding purchases. Midland Funding is an indirect subsidiary of MCM. Midland Funding has no employees and is a completely passive entity. To that end, MCM fully services accounts owned by Midland Funding and takes any and all actions on those accounts on behalf of Midland Funding. In my role as the Manager of Media Operations for MCM, I am responsible for, among other things, maintaining and overseeing “media,” *i.e.*, the loan agreements, account purchase and transfer information, debt collection records and other account information pertinent to accounts and debts that MCM

manages for Midland Funding. I make this Declaration based on either my own personal knowledge of the matters set forth herein or from my review of the business records of MCM, which were made by, or from information transmitted by, a person with knowledge of the events described therein, at or near the time of the event described, and which are kept in the ordinary course of the regularly conducted business activity of such person and MCM, and for which it is the regular practice of that business activity to make such records.

3. I am familiar with MCM's record keeping systems and practices, including the business procedures and policies of MCM with respect to credit card accounts purchased in Midland Funding's name and the records maintained by MCM on behalf of Midland Funding in association with same. MCM regularly relies upon records of this type for their accuracy. In particular, I have personally reviewed those records pertaining to the accounts of Jackeline Barbosa (the "Barbosa Account"), Mark Anderson (the "Anderson Account") and Douglass Baker (the "Baker Account").

4. MCM and Midland Funding are wholly owned subsidiaries of Encore Capital Group, Inc., all of which have a principal place of business in San Diego, California.

8. 14. After the sale, assignment and transfer of Ms. Barbosa's Account from Barclays to Midland Funding and the transmittal of Barclay's business records relating to Ms. Barbosa's Account to Midland Funding, Barclay's records were fully integrated into Midland Funding and MCM's business records. It is Midland Funding and MCM's regular business practice to receive, review, load, store and rely on these records in conducting their business. As the custodian of these records, I have become personally familiar with them, and have verified that the data in the documents and electronic file provided by Barclays matches the information related to Ms. Barbosa's Account in Midland Funding and MCM's business records.

15. Midland Funding is the current owner, and MCM acts as its current servicer, of Ms. Barbosa's Account and all contract rights related thereto.

- 4 In your letter, give us the following information:
- **Account information:** Your name and account number.
 - **Dollar amount:** The dollar amount of the suspected error.
 - **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within **10 days** telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

“Monthly Periodic Rate” or “MPR” means the applicable APR divided by 12.

“Purchase” means the use of your Card or account number to buy or lease goods or services and to make a transaction that is not otherwise a Balance Transfer or a Cash Advance. Purchases include Foreign Transactions, Account Fees and any adjustments associated with any Purchase.

“You” and “your” refer to each person who has applied for, accepted, or used the Account and each person who has agreed to be responsible for the Account.

“We,” “us” and “our” refer to Barclays Bank Delaware.

Obligations on Your Account.

You authorize us to pay and charge your Account for all Purchases, Balance Transfers, Checks, and Cash Advances made or obtained by you or anyone you authorize to use your Card or Account. You agree to pay us for all of these Purchases, Balance Transfers, Checks, and Cash Advances, plus any interest assessed on your Account and any other charges and fees which you may owe under the terms of this Agreement, whether resulting from 1) physical use of your Card or a Check, 2) mail order or telephone, computer or other electronic transaction made without presenting the Card, or 3) any other circumstances where you authorize a charge, or authorize someone else to make a charge, to your Account. Each person who has agreed to be responsible on the Account is responsible to pay the full amount owed on the Account. If this is a joint Account, we can send statements and notices to either of you. We may require that you pay the full amount owed without first asking any other person(s) to pay. Instructions for making payments are on your monthly billing statement. Payments that comply with the requirements specified on or with your monthly billing statement, including the time of receipt, will be credited on the business day they are received. Payments must be mailed to the correct P.O. Box or street address specified for U.S. Priority Mail and overnight payments. **There may be a delay of up to five (5) days in crediting payments that are not made in accordance with those instructions. Please allow at least seven (7) days for the U.S. Postal Service to deliver your payment.** All payments must be made in

2 U.S. dollars. Any payment made by check or other negotiable instrument or direct debit must be drawn on a U.S. bank or a U.S. branch of a foreign bank. We reserve the right to accept payments made in a foreign currency. If we do, we will select the foreign currency rate at our discretion. **Your available credit may not be immediately increased by the amount of the payment for up to seven (7) days to ensure we collect the funds from the bank on which your payment is drawn.** If you overpay or if there is a credit balance on your Account, we will not pay interest on such amounts.

The Annual Percentage Rate (APR) For Your Initial Apple Purchase(s):

1. **If your Initial Apple Purchase was less than \$999.00**:** A Qualifying Initial Apple Purchase that posts to your account for less than \$999.00 (a "Deferred Financing Purchase") will receive a 180 day (approximately 6 months) no interest / deferred financing promotion for which interest charges will be deferred for 180 days provided that timely payments are made on the account and the Deferred Financing Purchase is paid in full on or before the 180th day after the applicable purchase date (such end date the "Promotional End Date"). If the Deferred Financing Purchase is not paid in full by the Promotional End Date or if you make a late payment, interest charges will be assessed for the entire promotional period at the for Purchases during the promotional period (currently 22.99%). This APR will vary with the market based on the Prime Rate.
2. **If your Initial Apple Purchase was greater than or equal to \$999.00**:** A Qualifying Initial Apple Purchase that posts to your account for \$999.00 or more (a "Deferred Financing Purchase") will receive a 365 day (approximately 12 months) no interest / deferred financing promotion for which interest charges will be deferred for 365 days provided that timely payments are made on the account and the Deferred Financing Purchase is paid in full on or before the 365th day after the applicable purchase date (such end date the "Promotional End Date"). If the Deferred Financing Purchase is not paid in full by the Promotional End Date or if you make a late payment, interest charges will be assessed for the entire promotional period at the for Purchases during the promotional period (currently 22.99%). This APR will vary with the market based on the Prime Rate.
3. ****What is a Qualifying Initial Apple Purchase:** The promotional financing offer applies only to the first qualifying initial purchase made *only* at the *Apple Online Store, Apple Retail Store, 1-800-MY-APPLE, www.iTunes.com* that are made with your new Barclaycard Financing Visa card that post to the new account within the first 30 days of account opening. ****IMPORTANT:** Purchases made at www.apple.com, www.itunes.com, Apple retail stores or 1-800-MY-APPLE are billed to your account when the merchandise is available and shipped to you. If a partial order that is shipped and billed to your account is an amount that is less than \$999 then your account will not initially be given the 12 month promotional deferred interest offer and instead your initial statements will reflect the promotional offer described above for a transaction that is less than \$999 Barclaycard will monitor your account and will aggregate the total dollar amount spent at www.apple.com, www.itunes.com, Apple Retail stores or 1-800-MY-APPLE within the first 30 days of opening your account. If it is determined that the amount is \$999 or more, you will receive the 12 month deferred financing promotional offer on the qualifying purchases. If the total amount is less than \$999, you will receive the 6 month deferred financing promotional offer on the qualifying purchases. The adjustment(s) will appear on your 2nd or 3rd billing statement.

Variable Rate Information.

The standard Annual Percentage Rates (APRs) on your Account that are used to determine the amount of interest to be charged for Purchases, Balance Transfers, Cash Advances, and the Penalty APR are variable rates. The APRs on your Account correspond to Daily Periodic Rates ("DPR") and are calculated by multiplying the applicable DPR by 365. The DPRs on your Account equal 1/365th of the sum of 1) the applicable Prime Rate, 2) plus 19.74% for Purchases, plus 19.74% for Balance Transfers, plus 21.99% for Cash Advances; and plus up to 26.99% for the Penalty APR. The "Prime Rate" used in determining the APRs in each billing cycle will be the highest rate published in the Money Rates column of *The Wall Street Journal* on the last business day of each month. An increase or decrease in the Prime Rate will cause a corresponding increase or decrease to your variable rates on the first day of the billing cycle that begins in the same month in which the applicable Prime Rate is published. There is no limitation on the amount of any increase. Any such increase or decrease will cause a corresponding increase or decrease in the amount of interest assessed and possibly in the amount of the Minimum Payment Due. If *The Wall Street Journal* does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, we may substitute another index.

The current rates on your Account.

As of 02/15/2011 the Prime Rate was 3.25%. The DPR for all Purchases would have been 0.0630% (which corresponds to an APR of 22.99%). The DPR for Balance Transfers would have been 0.0630% (which corresponds to an APR of 22.99%). The DPR for Cash Advances would have been 0.0692% (which corresponds to an APR of 25.24%). The Penalty APR established by the variable rate formula above would have been a DPR of up to 0.0828% (which corresponds to an APR of up to 30.24%).

How the Penalty APR may apply to Your Account.

The APRs on your Account may be increased each time you, on this Account or any other account you may have with us, fail to make a payment to us when due, you fail to pay at least the Minimum Payment Due, you exceed your credit line, or you make a payment that is not honored by your bank. If we increase the APRs on your Account, we will notify you in advance of the increase. The Penalty APR that will be applied to your Account will be determined based on our review of your credit history at the time of our review (including your credit performance with other creditors). Our notice to you will include the effective date of the APR increase and the balances to which the Penalty APR will be applied. If the Penalty APR is applied to your account, it may continue to apply to new transactions indefinitely. However, the Penalty APR will cease to apply to certain existing transactions if, after the Penalty APR goes into effect, you make the next six consecutive minimum payments in a row when due. If you do not make these six consecutive minimum payments, the Penalty APR may continue to apply to new and existing transactions indefinitely.

Checks on Your Account.

We may issue Checks on your Account in the form of "Balance Transfer Checks" or "Cash Advance Checks," which can be used to access your credit line. Each Check will contain your Account number and may be used only by the person(s) whose name(s) is/are printed on it. Each must be completed and signed in the same manner as a regular personal check. If we provide Checks to you, you may not use them to pay any amount you owe under this Agreement or under any other account you may have with us. Balance Transfer Checks and Cash Advance Checks are subject to the same rate and other terms under this Agreement as Balance Transfers and Cash Advances, respectively. Unless otherwise indicated, all references in this Agreement to Balance Transfers include Balance Transfer Checks, all references to Cash Advances include Cash Advance Checks, and all references to use of the Account include use of these Checks. At our sole discretion we may elect to not honor a Check if there has been a change in your credit worthiness, your account is not in good standing or if the Check may cause your account to exceed the Cash Advance or other applicable credit line on your Account. At our sole discretion we may elect to honor a Check after its expiration date. **Unlike purchase transactions, there are no charge back rights with regard to Balance Transfer and Check transactions.**

Credit Line/Authorized Usage.

Your credit line is shown on the folder containing your Card. **We may change your credit line from time to time—either increase or decrease it—in our sole discretion.** If at any time (including in the first month after your Account is opened) you engage in account actions or activity that we perceive could have a negative impact on your credit standing with us, we may decrease your credit line or close your Account. Your latest credit line will appear on your monthly billing statement. **You agree not to make a Purchase, authorize a Balance Transfer, use a Check, or obtain a Cash Advance that would cause the unpaid balance of your Account to exceed your credit line. We may honor Purchases, Balance Transfers, Checks and/or Cash Advances in excess of your credit line at our sole discretion. If we do, this Agreement applies to that excess and you agree to pay the excess immediately if we request that you do so. You agree that we may change or cancel your credit line at any time for any reason without affecting your obligation to pay amounts that you owe under this Agreement.** We will notify you of any change, but the change may take effect before you receive the notice. We may designate that only a portion of your credit line is available for Cash Advances. **If we do and you exceed your line, you will be considered to have exceeded your credit line for all purposes of this Agreement. We may limit the authorizations to make Purchase, Balance Transfer, Check, or Cash Advance transactions that may be accomplished with your Card or Account.**

Monthly Billing Statements.

At the end of each monthly billing cycle a statement will be mailed or delivered to you if your Account has a debit or credit balance of more than \$1.00 or if interest or a fee has been imposed. We will not send a monthly billing statement if we deem your Account uncollectible or if delinquency collection proceedings have been instituted by us sending your Account to an outside collection agency or attorney for collection.

Your Minimum Payment Each Month.

Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. If the Statement Balance shown on your monthly statement is less than \$20, your Minimum Payment Due (due by the Payment Due Date) will be that Statement Balance amount. Otherwise, if your Statement Balance is equal to or greater than \$20, your Minimum Payment Due will be the greater of \$20 or the total of (1) 1% of the Principal Balance (defined as the total Statement Balance minus any interest charges, Returned Payment Fees, and Late Payment Fees that are incurred during the current billing cycle), plus (2) interest charges incurred during the current billing cycle (for this purpose, interest charges incurred do not include interest charges that accrued during prior billing cycles on a deferred interest balance (if there are any on your Account) that ended during the billing cycle covered by the statement), plus (3) any Returned Payment Fees and any Late Payment Fees incurred during the current billing cycle, plus (4) if we so elect, any amount past due and/or amount over your credit line at the time of billing. In certain instances your Minimum Payment Due may be less than your total fees and interest assessed in that billing cycle. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date.

Paying Interest.

Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that is disclosed in the Account Summary Table.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Transaction Fees.

If you use your Card or Account to obtain a Cash Advance, we will charge a Cash Advance Fee for each such Cash Advance. If you use your Card or Account to do a Balance Transfer, we will charge a Balance Transfer Fee for each such Balance Transfer. If you use your Card or Account to purchase Cash Equivalents, we will charge a Cash Advance Fee (sometimes we may refer to this as a Cash Equivalent Fee) for each such transaction. If you use your Card or Account for a Foreign Transaction, we will charge a Foreign Transaction Fee for each such transaction. Balance Transfer Checks and Cash Advance Checks are subject to the same Transaction Fee as Balance Transfers and Cash Advances, respectively. The present amounts of those charges are stated in the Account Summary Table.

Account Fees.

In addition to the fees listed in the Account Summary Table, we may also assess the Account Fees listed below.

Annual Fee – If your account has an Annual Fee, generally it will be billed at account opening and every twelve months thereafter. The amount of the Annual Fee, if there is one on your Account, is listed in the Account Summary Table.

Late Payment Fee – If we do not receive a payment from you in at least the amount of your Minimum Payment Due by the Payment Due Date shown on your monthly statement, we may charge you a Late Payment Fee. The amount of the Late Payment Fee amount will be determined in accordance with applicable law. Thus, the fee generally will not exceed the amount of the applicable Minimum Payment Due. In addition, the first time you pay late, the fee will not exceed \$25. If you pay late again within six billing cycles, the fee will not exceed \$35.

Returned Payment Fee – If your bank does not honor a check or direct debit you deliver to us, or we must return a check because it is not signed or is otherwise irregular, we may charge you a Returned Payment Fee. The amount of the Returned Payment Fee amount will be determined in accordance with applicable law. Thus, the fee generally will not exceed the amount of the applicable Minimum Payment Due. In addition, the first time you make a payment that is returned, the fee will not exceed \$25. If you make another payment that is returned within six billing cycles, the fee will not exceed \$35.

Returned Check Fee – If we return a Convenience Check (which includes a Balance Transfer Check or a Cash Advance Check) unpaid because it exceeds your available credit line at the time it is processed, your Account is closed or otherwise does not have charge privileges, you did not comply with our instructions regarding the Check or your Account is past due, we may charge you a Returned Check Fee. The amount of the Returned Check Fee will be determined in accordance with applicable law. Thus, the fee generally will not exceed the amount of the returned Check. In addition, the first time a Check is returned, the fee will not exceed \$25. If another Check is returned within six billing cycles, the fee will not exceed \$35.

Check Stop Payment Fee – If we stop payment on a Convenience Check at your request, we may charge you a Check Stop Payment Fee of \$39.95.

Foreign Currency Conversion.

For MasterCard Cards, we and MasterCard (or their affiliates) will convert transactions in foreign currencies into U.S. Dollars. MasterCard will use their currency conversion procedures that are current at the time of the transaction. Currently, the currency conversion rate they use is either the wholesale market rate or the government-mandated rate in effect under those procedures increased by one percent. The currency conversion rate used on the conversion date may differ from the rate in effect on the date you used your Card or Account.

For Visa Cards, we and Visa (or their affiliates) will convert transactions in foreign currencies into U.S. Dollars. Visa will use its currency conversion procedures that are current at the time of the transaction. Currently, Visa selects a rate from the range of rates available in the wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The currency conversion rate used on the conversion date may differ from the rate in effect on the date you used your Card or Account.

Authorized Users.

You may allow Authorized Users to use your Account. If you allow an Authorized User to use your Account, you will be liable for all transactions made by that person including transactions for which you may not have intended to be liable, even if the amount of those transactions causes your credit limit to be exceeded. You must notify us to revoke your permission to allow an Authorized User to use your Account or Card. Until you revoke your permission, you are responsible for all charges made by an Authorized Users, including Balance Transfer Check and Cash Advance Check transactions, regardless of whether you intended to be responsible for those charge. If you request additional Cards for Authorized Users, checks accessing this Account may also be included with the Card.

Administrative Charges.

If you request photocopies of monthly billing statements, you will be charged \$5 for each duplicate requested for each statement requested that is less than 25 months old. If the requested statement is 25 months or older you will be charged \$10 for each requested statement. If you request any special services such as obtaining Cards on an expedited basis, you agree to pay our reasonable charges for such services, in effect at that time.

3 Default/Collection Costs.

Unless otherwise prohibited by law, your Account will be in default and we may demand immediate payment of the entire amount you owe us if: 1) in any month we do not receive your Minimum Payment Due by the Payment Due Date; 2) you make Purchases, initiate Balance Transfers, use a Check, or obtain Cash Advances in excess of your credit line; 3) you fail to comply with this Agreement; 4) there is a filing for your bankruptcy; 5) you die or become incapacitated; or 6) we believe in good faith that the payment or performance of your obligations under this Agreement is impaired for any other reason. As permitted by applicable law, you agree to pay all collection expenses actually incurred by us in the collection of amounts you owe under this Agreement (including court or arbitration costs and the fees of any collection agency to which we refer your Account) and, in the event we refer your Account after your default to an attorney who is not our regularly salaried employee, you agree to pay the reasonable fees of such attorney. We will not be obligated to honor any attempted use of your Account if a default has occurred or we have determined to terminate your Account or limit your Account privileges (as discussed below).

Termination/We May Suspend Or Close Your Account.

We may suspend or close your account or otherwise terminate your right to use your account without prior notice. We may do this at any time and for any reason, including but not limited to, if there is a change to your creditworthiness or if your Account becomes inactive. You must destroy all Cards, Checks or other credit devices on the Account when we request. You agree that you will not try to make a Purchase, use a Check, initiate a Balance Transfer or obtain a Cash Advance after you have been notified that your privilege to use your Account has been closed. You may close your Account at any time. If you do, you must destroy all Cards and Checks previously issued on the Account. If you call us, we may require that you confirm your termination in writing. Your obligations under this Agreement continue even after the Account is closed.

Billing statements and notices will be sent to the address shown in our files. If this is a joint Account, we may send billing statements and notices to either of you. You promise to inform us promptly in writing of any change in your e-mail address or your U.S. mail address. You may update this information by visiting www.BarclycardUS.com and sending us an e-mail or telephoning us at the telephone number provided below (under "Inquiries or Questions"). We may in our discretion accept address corrections from the United States Postal Service.

From time to time, we may let you skip or reduce one or more monthly payments during a year (interest will continue to accrue) or offer you other special features. If we do, we will advise you of the scope and duration of the applicable skip or special feature. When the skip or special feature ends, your regular terms will resume.

Changes to This Agreement.

We can change this Agreement, including the annual percentage rate and any fees, as permitted by applicable law. These changes may include the addition or deletion of provisions relating to your Account or to the nature, extent, and enforcement of the rights and obligations you or we may have under this Agreement. We will notify you of any change. Any change, including any increase or decrease in your APRs, will become effective at the time stated in our notice and will apply to those balances, including new transactions, on your Account as described in our notice.

Credit Performance.

Your Account was established based upon criteria which reflect your particular credit history. We will from time to time review your credit performance. In addition to any other rights we have, if you do not maintain your past level of credit performance, we may change some or all of the Account terms on your Account, and if we do we will notify you as provided in this Agreement and in accordance with applicable law.

Credit Information.

You agree that we may request consumer credit reports from one or more credit reporting agencies in connection with your application and the administration of your Account. You also authorize us to exchange credit information concerning you or your Account with (and answer questions and requests from) others, such as merchants, other lenders and credit reporting agencies.

Phone Calls/Electronic Communications.

In the regular course of our business, for quality control and archival purposes, we may monitor and record phone conversations made or received by our employees or our agents. Similarly, we may monitor and record e-mail or conversations on our website between you and our employees or agents. You agree that we will have such right with respect to all phone conversations, e-mail or conversations between you and our employees or agents, whether initiated by you or any of our employees or agents. You also agree that in connection with our collection (whether by us or by any agent of ours) of any amounts owed on the Account that: 1) telephone calls, from us or on our behalf, may be made: (a) to the telephone number(s) that you provided on the Account Application, (b) to any other telephone number(s) that you later provide to us, and/or (c) to any telephone number(s) that we are permitted by law to use to contact you; 2) these calls may be sent using automatic dialing equipment and/or include prerecorded messages; 3) other communications, including mobile text messages, may be sent to the same telephone number(s) (technology permitting); 4) you may be charged by your service provider for these calls in accordance with your service plan between you and your current telephone provider, but we pay any charges for text messages sent to you; 5) these calls and/or messages are not "unsolicited" calls for purposes of applicable law; and 6) except to the extent prohibited by applicable law, other communications, including, but not limited to, fax or telecopier, Internet, U.S. mail, and non-mobile email messages, may be sent to you.

Consent to Receive Electronic Notices.

You may receive periodic billing statements and other notices regarding your Account electronically or by U.S. mail. By requesting statements and other notices electronically, which may only be done on our website, and by providing any other legally required consents, you affirmatively consent to receive all periodic billing statements and other notices electronically when legally permissible. Otherwise, statements and notices will be sent to the address shown in our files. If at any time you need a paper copy of statements or notices, or you change your mind and prefer to receive all your statements and notices in paper rather than electronic form, telephone us at the number provided below or visit us at www.BarclycardUS.com and send us an e-mail. In order to retain your statements and notices, you must have a printer attached to your computer that can print them out or a drive or other storage device onto which you can download them. By accepting the receipt of electronic statements and other notices, you confirm that you have the software and equipment that satisfies these requirements to enable you to access and retain your statements and notices electronically.

Refusal to Honor Card.

We are not responsible for refusals to honor your Card or Checks. And, except as otherwise required by applicable law or regulation, we will not be responsible for merchandise or services purchased or leased through use of your Account.

Irregular Payments and Delay in Enforcement.

We can accept late payments, partial payments, checks and money orders marked "Paid in Full" or language having the same effect without losing any of our rights under this Agreement. We can also delay enforcing our rights under this Agreement any number of times without losing them. The fact that we may at any time honor a Purchase, Check, Balance Transfer or Cash Advance in excess of your maximum credit line does not obligate us to do so again.

Our Rights Continue.

Our failure or delay in exercising any of our rights under this Agreement does not mean that we are unable to exercise those rights later.

Payments Made on Your Account.

If you make a payment on this Account utilizing a check, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your checking/deposit account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your bank account as soon as the same day you make your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call the number listed on the back of your card.

Payment Allocation.

Subject to any mandatory provisions of applicable law, in most instances, we will allocate any amount over your minimum payment to the highest APR balances first. Payments up to the minimum payment will be applied at our discretion, including to lower APR balances first.

Liability for Unauthorized Use of Your Account.

If your Card or any Check(s) are lost or stolen or if you have reason to think someone may use your Account without your permission, you must notify us at once. Please either visit www.BarclycardUS.com and send us an e-mail or telephone us at 1-888-232-0780 concerning the loss or theft of your Card or Checks or the possible unauthorized use of your Account. Do not use the Card, Account number or any Checks after they have been reported lost or stolen, even if they are found or returned. You will not be liable for unauthorized use of the Account; however, you must identify for us the charges that were not made by you or someone authorized by you and through which you received no benefit. We may require you to provide us with certain information and to comply with our investigation procedures. We may terminate or limit access to your Account if you have notified us or we have determined that your Card or Checks may have been lost or stolen, or that there may be unauthorized access to your Account.

Assignment.

We may at any time assign or sell your Account, any sums due on your Account, this Agreement or our rights or obligations under this Agreement. The person(s) to whom we make any such assignment or sale shall be entitled to all of our rights under this Agreement, to the extent assigned.

THIS AGREEMENT AND YOUR ACCOUNT WILL BE GOVERNED BY THE LAWS OF THE STATE OF DELAWARE AND, AS APPLICABLE, FEDERAL LAW.

Inquiries or Questions.

You may address any inquiries or questions which you have about your Account to Barclays Bank Delaware, by visiting www.BarclycardUS.com and sending us an e-mail, writing us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801, or calling us at 1-888-232-0780. If you telephone or email us instead of writing, you may lose certain rights the law gives you to dispute billing errors (see "Your Billing Rights").

Arbitration.

At the election of either you or us, any claim, dispute or controversy ("Claim") by either you or us against the other, or against the employees, agents or assigns of the other, arising from or relating in any way to this Agreement or your Account, or any transaction on your Account including (without limitation) Claims based on contract, tort (including intentional torts), fraud, agency, negligence, statutory or regulatory provisions or any other source of law and (except as specifically provided in this Agreement) Claims regarding the applicability of this arbitration clause or the validity of the entire Agreement, shall be resolved exclusively and finally by binding arbitration under the rules and procedures of the arbitration Administrator selected at the time the Claim is filed. The Administrator selection process is set forth below. For purposes of this provision, "you" includes any authorized user on the Account, and any of your agents, beneficiaries or assigns; and "we" or "us" includes our employees, parents, subsidiaries, affiliates, beneficiaries, agents and assigns, and to the extent included in a proceeding in which Barclays is a party, its service providers and marketing partners. Claims made and remedies sought as part of a class action, private attorney general or other representative action (hereafter all included in the term "class action") are subject to arbitration on an individual basis, **not** on a class or representative basis.

Alternatively, you and we may pursue a Claim within the jurisdiction of the Justice of the Peace Court in Delaware, or the equivalent court in your home jurisdiction (each a "Small Claims Court"), **provided** that the action remains in that court, is made on behalf of or against you only and is **not** made part of a class action, private attorney general action or other representative or collective action. Further, you and we agree not to seek to enforce this arbitration provision, or otherwise commence arbitration based on the same claims in any action brought before the Small Claims Court.

The party initiating arbitration shall utilize the American Arbitration Association, www.adr.org, 950 Warren Avenue, East Providence, Rhode Island, 02914, 1-866-293-4053 to administer the arbitration (the "Administrator"). The Administrator provides information about arbitration, its arbitration rules and procedures, fee schedule and claims forms at its web site or by mail as set forth above. The Administrator will apply the rules and procedures in effect at the time the arbitration is filed. The Claim will be heard before a single arbitrator, whose authority is limited exclusively to the resolution of Claims between you and us and to providing an award effective only on behalf of you and/or us. The arbitration will not be consolidated with any other arbitration proceedings. The Administrator shall resolve each dispute in accordance with applicable law.

If you commence arbitration, you must provide us the notice required by the Administrator's rules and procedures. The notice may be sent to us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801. If we commence arbitration, we will provide you notice at your last known billing address. We agree to honor your request to remove the action to a Small Claims Court, **provided** that we receive the request within thirty days of the notice of commencement of arbitration. Any arbitration hearing at which you appear will take place at a location within the federal judicial district that includes your billing address at the time the Claim is filed. This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16. Judgment upon any arbitration award may be entered in any court having jurisdiction. **No class actions joinder or consolidation of any Claim with a Claim of any other person or entity shall be allowable in arbitration, without the written consent of both you and us.** In the event that there is a dispute about whether limiting arbitration of the parties' dispute to non-class proceedings is enforceable under applicable law, then that question shall be resolved by litigation in a court rather than by the arbitrator; and to the extent it is determined that resolution of a Claim shall proceed on a class basis, it shall so proceed in a court of competent jurisdiction rather than in arbitration.

We will pay, or reimburse you for, all fees or costs to the extent required by law or the rules of the arbitration Administrator. Whether or not required by law or such rules, if you prevail at arbitration on any Claim against us, we will reimburse you for any fees paid to the Administrator in connection with the arbitration proceedings. In addition, in any arbitration that you elect to file that could be heard in Small Claims Court in your jurisdiction, we will pay the filing fees and other arbitration fees above the cost of filing in that Small Claims Court. If you are required to advance any fees or costs to the arbitration Administrator, but you ask us to do so in your stead, we will consider and respond to your request.

This arbitration agreement applies to all Claims now in existence or that may arise in the future except for Claims by or against any unaffiliated third party to whom ownership of your Account may be assigned, in which case this arbitration agreement will apply only if you or the third party chose arbitration. This arbitration agreement survives the termination of the Cardmember Agreement or the Account relationship, including your payment in full, and your filing of bankruptcy. Nothing in this Agreement shall be construed to prevent any party's use of (or advancement of) any claims, defenses, or offsets in) bankruptcy or repossession, replevin, judicial foreclosure or any other prejudgment or provisional remedy relating to any collateral, security or property interests for contractual debts now or hereafter owed by either party to the other under this Agreement.

ARBITRATION WITH RESPECT TO A CLAIM IS BINDING AND NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM THROUGH A COURT. IN ARBITRATION YOU AND WE WILL NOT HAVE THE RIGHTS THAT ARE PROVIDED IN COURT INCLUDING THE RIGHT TO A TRIAL BY JUDGE OR JURY AND THE RIGHT TO PARTICIPATE OR BE REPRESENTED IN PROCEEDINGS BROUGHT BY OTHERS SUCH AS CLASS ACTIONS OR SIMILAR PROCEEDINGS. IN ADDITION, THE RIGHT TO DISCOVERY AND THE RIGHT TO APPEAL ARE ALSO LIMITED OR ELIMINATED BY ARBITRATION. ALL OF THESE RIGHTS ARE WAIVED AND ALL CLAIMS MUST BE RESOLVED THROUGH ARBITRATION.

Your Deferred Financing promotion will expire on the Expiration Date listed in the Deferred Financing Summary. Interest will be charged to your account from the purchase date if the promotional purchase balance is not paid in full by the Expiration Date or you make a late payment. **You must pay your Deferred Financing promotional balance in full by the Expiration Date to avoid paying deferred interest charges.** Remember to always pay your Minimum Payment Due on time each month, including during the Deferred Financing promotional period. During the Deferred Financing promotional period if you pay more than your minimum payment, any amount that you pay that is over your minimum payment will be allocated first to the other balances on your account (if there are any) before it will be applied to your Deferred Financing promotional balance except in the last two billing cycles of the applicable expiring Deferred Financing promotional period. In those last two billing cycles any amount that you pay over your required minimum payment will be applied to the Deferred Financing promotional balance that is due to expire first, to pay that balance down before any other balances on your account. **Please note the Deferred Financing Expiration Date may be a different date than your Payment Due Date. If the Deferred Financing Expiration Date is after your Minimum Payment Due date in the month your promotion is set to expire, you must still make your Minimum Payment Due by the Payment Due Date avoid a late charge.**

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-483-3735.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, we will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement). If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front

of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-483-3735.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-483-3735. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, we will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement). If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front

of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

**IMPORTANT REMINDER**

Your Deferred Financing promotion will expire on the Expiration Date listed in the Deferred Financing Summary. Interest will be charged to your account from the purchase date if the promotional purchase balance is not paid in full by the Expiration Date or you make a late payment. **You must pay your Deferred Financing promotional balance in full by the Expiration Date to avoid paying deferred interest charges.** Remember to always pay your Minimum Payment Due on time each month, including during the Deferred Financing promotional period. During the Deferred Financing promotional period if you pay more than your minimum payment, any amount that you pay that is over your minimum payment will be allocated first to the other balances on your account (if there are any) before it will be applied to your Deferred Financing promotional balance except in the last two billing cycles of the applicable expiring Deferred Financing promotional period. In those last two billing cycles any amount that you pay over your required minimum payment will be applied to the Deferred Financing promotional balance that is due to expire first, to pay that balance down before any other balances on your account. **Please note the Deferred Financing Expiration Date may be a different date than your Payment Due Date. If the Deferred Financing Expiration Date is after your Minimum Payment Due date in the month your promotion is set to expire, you must still make your Minimum Payment Due by the Payment Due Date avoid a late charge.**

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-483-3735.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-483-3735. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, we will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement). If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front

of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-483-3735 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-483-3735.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, we will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement). If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front

of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
 P.O. Box 8802
 Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you may avoid paying interest on Purchases (except for purchases of Cash Equivalents which includes money orders,

travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers. Cash Equivalents are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information) in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. For Balance Transfers, interest will accrue from the transaction date which generally will be the day we send the Balance Transfer to the payee. For Checks, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you may avoid paying interest on Purchases (except for purchases of Cash Equivalents which includes money orders,

travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers. Cash Equivalents are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information) in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. For Balance Transfers, interest will accrue from the transaction date which generally will be the day we send the Balance Transfer to the payee. For Checks, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you may avoid paying interest on Purchases (except for purchases of Cash Equivalents which includes money orders,

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

CARDMEMBER AGREEMENT

Introduction.

This Agreement establishes the terms of your credit card account ("Account") with Barclays Bank Delaware in Wilmington, Delaware. Please read it carefully and keep it with your records. You do not need to sign this Agreement, but please sign the back of your credit card (the "Card"), if you have not already done so. All extensions of credit in connection with your Account are being made by Barclays Bank Delaware.

Using Your Account/Acceptance of These Terms.

You do not need to accept the Account and this Agreement and none of the fees on this Account (except as otherwise provided herein) will apply unless you use the Account. If your Account has an Annual Fee (see the Account Summary Table to determine if this Account has an Annual Fee) and provided that you have not otherwise used the Account to make a Purchase, Balance Transfer or Cash Advance or paid the Annual Fee, you may close the Account within thirty days after Account opening by contacting us at the number on the back of your Card, and if you do, you will not be responsible for paying the Annual Fee. By signing, keeping, using or otherwise accepting your Card or Account, you agree to the terms and conditions of this Agreement. You may obtain credit in the form of Purchases, Balance Transfers and Cash Advances by using your Card, your account number, Checks, or other credit devices. You agree that we may credit your Account rather than issue cash refunds when you reverse transactions that were originally charged to your Account. You agree that you will not use your Card or Account in connection with any transaction that is prohibited or unenforceable and that if you do engage in such a transaction you waive any claim that the charge is uncollectible on the grounds the transaction was prohibited or unenforceable. The Card must be returned to us upon request. We may replace your Card with another Card at any time.

Definitions.

If we use a capitalized term in this document but we do not define the term in this document, the term has the meaning as used in your monthly statement.

"Agreement" means this document and the Account Summary Table, and any changes we make to this document, from time to time.

"Authorized User" means any person you allow to use your Account including without limitation through a Card, Check, the account number, or other credit device.

"Balance Transfer" means the use of your Account for a loan obtained by a transfer of funds initiated by us at your request and includes the use of a Balance Transfer Check. "Balance Transfer" includes the Transaction Fees associated with any Balance Transfer.

"Cash Advance" means the use of your Card or account number to obtain cash loans at any financial institution or automated teller machine that accepts the Card, the use of a Cash Advance Check or the purchase of Cash Equivalents. "Cash Advance" also includes the Transaction Fees associated with any Cash Advance or any Cash Equivalent.

"Cash Equivalent" means the use of your Card or account number to obtain money orders, traveler's checks, foreign currency, lottery tickets, gambling chips, wire transfers, person to person money transfers (including but not limited to transfers facilitated over the internet), or the use of your Account to open a deposit account or to transfer value to a stored value card at a location or through a merchant other than a financial institution and any other transaction that MasterCard, Visa and/or American Express (as applicable to you Account) may designate as a Cash Equivalent. Cash Equivalents and the Transaction Fees associated with any Cash Equivalent are considered Cash Advances for interest calculation purposes.

"Check" or "Convenience Check" means an access check we provide to you to make a Cash Advance or a Balance Transfer as applicable on your Account. A Check can be either a Balance Transfer Check or a Cash Advance Check and will be designated as such by us.

"Foreign Transaction" means the use of your Card or Account (other than through a Cash Advance) for a transaction in a currency other than U.S. dollars. Foreign Transactions and the Transaction Fees associated with any Foreign Transaction are considered Purchases for interest calculation purposes.

"Purchase" means the use of your Card or account number to buy or lease goods or services and to make a transaction that is not otherwise a Balance Transfer or a Cash Advance. Purchases include Foreign Transactions, Account Fees and any adjustments associated with any Purchase.

"You" and "your" refer to each person who has applied for, accepted, or used the Account and each person who has agreed to be responsible for the Account.

"We," "us" and "our" refer to Barclays Bank Delaware.

Obligations on Your Account.

You authorize us to pay and charge your Account for all Purchases, Balance Transfers, Checks, and Cash Advances made or obtained by you or anyone you authorize to use your Card or Account. You agree to pay us for all of these Purchases, Balance Transfers, Checks, and Cash Advances, plus any interest assessed on your Account and any other charges and fees which you may owe under the terms of this Agreement, whether resulting from 1) physical use of your Card or a Check, 2) mail order or telephone, computer or other electronic transaction made without presenting the Card, or 3) any other circumstances where you authorize a charge, or authorize someone else to make a charge, to your Account. Each person who has agreed to be responsible on the Account is responsible to pay the full amount owed on the Account. If this is a joint Account, we can send statements and notices to either of you. We may require that you pay the full amount owed without first asking any other person(s) to pay. Instructions for making payments are on your monthly billing statement. Payments that comply with the requirements specified on or with your monthly billing statement, including the time of receipt, will be credited as of the business day they are received. Payments must be mailed to the correct P.O. Box or to the street address specified for U.S. Priority Mail and overnight payments. **There may be a delay of up to five (5) days in crediting payments that are not made in accordance with those instructions. Please allow at least seven (7) days for the U.S. Postal Service to deliver your payment.** All payments must be made in U.S. dollars. Any payment made by check or other negotiable instrument or direct debit must be drawn on a U.S. bank or a U.S. branch of a foreign bank. We reserve the right to accept payments made in a foreign currency. If we do, we will select the foreign currency rate at our discretion. **To ensure the funds from the bank on which your payment is drawn are not returned, your available credit may not be immediately increased by the amount of the payment for up to seven (7) days after the payment posts to the account.** If you overpay or if there is a credit balance on your Account, we will not pay interest on such amounts.

Variable Rate Information.

The standard Annual Percentage Rates (APRs) on your Account that are used to determine the amount of interest to be charged for Purchases, Balance Transfers, Cash Advances, and the Penalty APR are variable rates. The APRs on your Account correspond to daily periodic rates ("DPR") and are calculated by multiplying the applicable DPR by 365. The DPRs on your Account equal 1/365th of the sum of 1) the applicable Prime Rate, 2) plus the applicable margin for Purchases, plus the applicable margin for Balance Transfers, plus the applicable margin for Cash Advances; and plus the applicable margin for the Penalty APR. See the enclosed Additional Account Information Document for the applicable margin(s) that will apply on your Account. The "Prime Rate" used in determining the APRs in each billing cycle will be the highest rate published in the Money Rates column of *The Wall Street Journal* on the last business day of each month. An increase or decrease in the Prime Rate will cause a corresponding increase or decrease to your variable rates on the first day of the billing cycle that begins in the same month in which the applicable Prime Rate is published. There is no limitation on the amount of any increase. Any such increase or decrease will cause a corresponding increase or decrease in the amount of interest assessed and possibly in the amount of the Minimum Payment Due. If *The Wall Street Journal* does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, we may substitute another index.

Variable Rate Information (for residents of Iowa at the time of Account opening).

The standard Annual Percentage Rates (APRs) on your Account that are used to determine the amount of interest to be charged for Purchases, Balance Transfers, Cash Advances, and the Penalty APR are variable rates. The APRs on your Account correspond to monthly periodic rates ("MPR") and are calculated by multiplying the applicable MPR by 12. The MPRs on your Account equal 1/12th of the sum of 1) the applicable Prime Rate, 2) plus the applicable margin for Purchases, plus the applicable margin for Balance Transfers, plus the applicable margin for Cash Advances; and plus the applicable margin for the Penalty APR. See the enclosed Additional Account Information Document for the applicable margin(s) that will apply on your Account. The "Prime Rate" used in determining the APRs in each billing cycle will be the highest rate published in the Money Rates column of *The Wall Street Journal* on the last business day of each month. An increase or decrease in the Prime Rate will cause a corresponding increase or decrease to your variable rates on the first day of the billing cycle that begins in the same month in which the applicable Prime Rate is published. There is no limitation on the amount of any increase. Any such increase or decrease will cause a corresponding increase or decrease in the amount of interest assessed and possibly in the amount of the Minimum Payment Due. If *The Wall Street Journal* does not publish the U.S. Prime Rate, or if it changes the definition of the U.S. Prime Rate, we may substitute another index.

How the Penalty APR may apply to Your Account.

The APRs on your Account may be increased each time you fail to pay at least the Minimum Payment Due when it is due, you exceed your credit line, or you make a payment that is not honored by your bank. We will determine the amount of the Penalty APR increase based on our review of your credit history at that time (including your credit performance with other creditors). Our notice will specify the balances to which the Penalty APR will be applied. The Penalty APR may continue to apply to these balances indefinitely. However, the Penalty APR will cease to apply to certain existing balances if, after the Penalty APR goes into effect, you make the next six consecutive minimum payments in a row when due.

Checks on Your Account.

We may issue Checks on your Account in the form of "Balance Transfer Checks" or "Cash Advance Checks," which can be used to access your credit line. Each Check will contain your Account number and may be used only by the person(s) whose name(s) is/are printed on it. Each must be completed and signed in the same manner as a regular personal check. If we provide Checks to you, you may not use them to pay any amount you owe under this Agreement or under any other account you may have with us. Balance Transfer Checks and Cash Advance Checks are subject to the same rate and other terms under this Agreement as Balance Transfers and Cash Advances, respectively. Unless otherwise indicated, all references in this Agreement to Balance Transfers include Balance Transfer Checks, all references to Cash Advances include Cash Advance Checks, and all references to use of the Account include use of these Checks. At our sole discretion we may elect to not honor a Check if there has been a change in your credit worthiness, your account is not in good standing or if the Check may cause your account to exceed the Cash Advance or other applicable credit line on your Account. At our sole discretion we may elect to honor a Check after its expiration date. **Unlike purchase transactions, there are no charge back rights with regard to Balance Transfer and Check transactions.**

Monthly Billing Statements.

At the end of each monthly billing cycle a statement will be mailed or delivered to you if your Account has a debit or credit balance of more than \$1.00 or if interest or a fee has been imposed. We will not send a monthly billing statement if we deem your Account uncollectible or if delinquency collection proceedings have been instituted by us sending your Account to an outside collection agency or attorney for collection.

Your Minimum Payment Each Month.

Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. We will calculate it as follows:

- (1) If the Principal Balance (defined below) is less than \$20, the Minimum Payment Due equals the Statement Balance shown on your monthly statement.
- (2) If the Principal Balance is \$20 or more, the Minimum Payment Due equals the greater of \$20 or the total of:
 - 1% of the Principal Balance,
 - Any interest charges billed on the monthly statement (excluding any interest charges that accrued during prior billing cycles on a deferred interest balance that ended during the billing cycle covered by the statement),
 - Any Minimum Interest Charge,
 - Any Returned Payment Fee, and
 - Any Late Payment Fee.

The "Principal Balance" equals the Statement Balance on your monthly statement minus any interest charges, Minimum Interest Charge, Returned Payment Fee, and Late Payment Fee that is incurred during the current billing cycle.

If we so elect, your Minimum Payment Due may also include any amount that, at the time of billing, is past due and/or over your credit line. In certain instances your Minimum Payment Due may be less than the total fees and interest assessed that billing cycle. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us. However, you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date.

Transaction Fees.

If you use your Card or Account to obtain a Cash Advance, we will charge a Cash Advance Fee for each such Cash Advance. If you use your Card or Account to make a Balance Transfer, we will charge a Balance Transfer Fee for each such Balance Transfer. If you use your Card or Account to purchase Cash Equivalents, we will charge a Cash Advance Fee (sometimes we may refer to this as a Cash Equivalent Fee) for each such transaction. If you use your Card or Account for a Foreign Transaction, we will charge a Foreign Transaction Fee for each such transaction. Balance Transfer Checks and Cash Advance Checks are subject to the same Transaction Fee as Balance Transfers and Cash Advances, respectively. The present amounts of those charges are stated in the Account Summary Table.

Foreign Currency Conversion.

For MasterCard Cards, we and MasterCard (or their affiliates) will convert transactions in foreign currencies into U.S. Dollars. MasterCard will use their currency conversion procedures that are current at the time of the transaction. Currently, the currency conversion rate they use is either the wholesale market rate or the government mandated rate in effect under those procedures increased by one percent. The currency conversion rate used on the conversion date may differ from the rate in effect on the date you used your Card or Account.

For Visa Cards, we and Visa (or their affiliates) will convert transactions in foreign currencies into U.S. Dollars. Visa will use its currency conversion procedures that are current at the time of the transaction. Currently, Visa selects a rate from the range of rates available in the wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government mandated rate in effect for the applicable central processing date. The currency conversion rate used on the conversion date may differ from the rate in effect on the date you used your Card or Account.

For American Express Cards, we or American Express will convert transactions in foreign currencies into U.S. Dollars. For foreign charges converted by American Express, American Express applies a conversion factor of 1.5% to the converted amount.

Authorized Users.

You may allow Authorized Users to use your Account. If you allow an Authorized User to use your Account, you will be liable for all transactions made by that person including transactions for which you may not have intended to be liable, even if the amount of those transactions causes your credit limit to be exceeded. You must notify us to revoke your permission to allow an Authorized User to use your Account or Card. Until you revoke your permission, you are responsible for all charges made by an Authorized Users, including Balance Transfer Check and Cash Advance Check transactions, regardless of whether you intended to be responsible for those charges. If you request additional Cards for Authorized Users, checks accessing this Account may also be included with the Card.

Administrative Charges.

If you request photocopies of monthly billing statements, you will be charged for each duplicate requested. For each statement that is less than 25 months old, you will be charged \$5. For each statement that is 25 or more months old, you will be charged \$10. If you request any special services such as obtaining Cards on an expedited basis, you agree to pay our reasonable charges for such services, in effect at that time.

Default/Collection Costs.

Unless otherwise prohibited by law, your Account will be in default and we may demand immediate payment of the entire amount you owe us if: 1) in any month we do not receive your Minimum Payment Due by the Payment Due Date; 2) you make Purchases, initiate Balance Transfers, use a Check, or obtain Cash Advances in excess of your credit line; 3) you fail to comply with this Agreement; 4) there is a filing for your bankruptcy; 5) you die or become incapacitated; or 6) we believe in good faith that the payment or performance of your obligations under this Agreement is impaired for any other reason. As permitted by applicable law, you agree to pay all collection expenses actually incurred by us in the collection of amounts you owe under this Agreement (including court or arbitration costs and the fees of any collection agency to which we refer your Account) and, in the event we refer your Account after your default to an attorney who is not our regularly salaried employee, you agree to pay the reasonable fees of such attorney. We will not be obligated to honor any attempted use of your Account if a default has occurred or we have determined to terminate your Account or limit your Account privileges (as discussed below).

Termination/We May Suspend Or Close Your Account.

We may suspend or close your account or otherwise terminate your right to use your account without prior notice. We may do this at any time and for any reason, including but not limited to, if there is a change to your creditworthiness or if your Account becomes inactive. You must destroy all Cards, Checks or other credit devices on the Account when we request. You agree that you will not try to make a Purchase, use a Check, initiate a Balance Transfer or obtain a Cash Advance after you have been notified that your privilege to use your Account has been closed or revoked. You may close your Account at any time. If you do, you must destroy all Cards and Checks previously issued on the Account. If you call us, we may require that you confirm your termination in writing. Your obligations under this Agreement continue even after the Account is closed.

Notices to You.

Billing statements and notices will be sent to the address shown in our files. If this is a joint Account, we may send billing statements and notices to either of you. You promise to promptly inform us of any change in your e-mail address or your U.S. mail address. You may update this information by visiting the website on the back of you Card and sending us an e-mail or telephone us at the number provided on your Card. We may in our discretion accept address corrections for the United States Postal Service.

Skip Payment Program and Other Special Terms.

From time to time, we may let you skip or reduce one or more monthly payments during a year (interest will continue to accrue) or offer you other special features. If we do, we will advise you of the scope and duration of the applicable skip or special feature. When the skip or special feature ends, your regular terms will resume.

2 Changes To This Agreement.

We can change this Agreement, including the annual percentage rate and any fees, as permitted by applicable law. These changes may include the addition or deletion of provisions relating to your Account or to the nature, extent, and enforcement of the rights and obligations you or we may have under this Agreement. We will notify you of any change. Any change, including any increase or decrease in your APRs, will become effective at the time stated in our notice and will apply to those balances, including new transactions, on your Account as described in our notice.

Credit Performance.

Your Account was established based upon criteria which reflect your particular credit history. We will from time to time review your credit performance. In addition to any other rights we have, if you do not maintain your past level of credit performance, we may change some or all of the Account terms on your Account, and if we do we will notify you as provided in this Agreement and in accordance with applicable law.

Credit Information.

You agree that we may request consumer credit reports from one or more credit reporting agencies in connection with your application and the administration of your Account. You also authorize us to exchange credit information concerning you or your Account with (and answer questions and requests from) others, such as merchants, other lenders and credit reporting agencies.

Calls/Electronic Communications.

In the regular course of our business, we may monitor and record phone conversations made or received by our employees or our agents. Similarly, we may monitor and record e-mail or conversations on our website between you and our employees or agents. You agree that we will have such right with respect to all phone conversations, e-mail or conversations between you and our employees or agents, whether initiated by you or any of our employees or agents. We may contact you by telephone in connection with the Account, directly or through an agent - for example, to collect amounts owed on the Account, to notify you of potential fraudulent transactions on your account or for other account-servicing purposes. If at any time you provide a mobile telephone number at which you may be contacted, you consent to receive calls (including autodialed calls and prerecorded messages) at that mobile number from us, our successors and assigns, and our affiliates, agents and independent contractors, including servicers and collection agents, regarding the Account or your related financial obligations.

You consent and further agree that:

- (1) these telephone calls, from us or on our behalf, may be made:
 - (a) to the telephone number(s) that you provided on the Account application,
 - (b) to any other telephone number(s) that you later provide to us, and/or
 - (c) to any telephone number(s) that we are permitted by law to use to contact you;
- (2) these calls may be sent using automatic dialing equipment and/or include prerecorded messages;
- (3) other communications, including mobile text messages, may be sent to the same telephone number(s) (technology permitting);
- (4) you may be charged by your service provider for these calls in accordance with your service plan between you and your current telephone provider;
- (5) these calls and/or messages are not "unsolicited" calls for purposes of applicable law; and
- (6) except to the extent prohibited by applicable law, other communications, including, but not limited to, fax or telecopier, Internet, U.S. mail, and non-mobile e-mail messages, may be sent to you.

Consent to Receive Electronic Notices.

You may receive periodic billing statements and other notices regarding your Account electronically or by U.S. mail. By requesting statements and other notices electronically, which may only be done on our website, and by providing any other legally required consents, you affirmatively consent to receive all periodic billing statements and other notices electronically when legally permissible. Otherwise, statements and notices will be sent to the address shown in our files. If at any time you need a paper copy of statements or notices, or you change your mind and prefer to receive all your statements and notices in paper rather than electronic form, telephone us at the number provided on the back of your Card or visit us at the website on the back of your Card and send us an e-mail. In order to access your statements and notices electronically, you must have a computer equipped with at least a 40-bit JavaScript-enabled Netscape or Microsoft browser at the Version level 4.0 or higher. In order to retain your statements and notices, you must have a printer attached to your computer that can print them out or a drive or other storage device onto which you can download them. By accepting the receipt of electronic statements and other notices, you confirm that you have the software and equipment that satisfies these requirements to enable you to access and retain your statements and notices electronically.

Refusal to Honor Card.

We are not responsible for refusals to honor your Card or Checks. Except as otherwise required by applicable law or regulation, we will not be responsible for merchandise or services purchased or leased through use of your Account.

Irregular Payments and Delay in Enforcement.

We can accept late payments, partial payments, checks and money orders marked "Paid in Full" or language having the same effect without losing any of our rights under this Agreement. We can also delay enforcing our rights under this Agreement any number of times without losing them. The fact that we may at any time honor a Purchase, Check, Balance Transfer or Cash Advance in excess of your maximum credit line does not obligate us to do so again.

Our Rights Continue

Our failure or delay in exercising any of our rights under this Agreement does not mean that we are unable to exercise those rights later.

Payments Made on Your Account.

If you make a payment on this Account utilizing a check, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your checking/deposit account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your bank account as soon as the same day you make your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call the number listed on the back of your Card.

Payments That Are Returned on Your Account.

If a payment you make is not honored by your bank and we have already credited your account for the payment, we will reverse the credit in the following manner. We separately total the amounts credited to Purchases, Cash Advances, and Balance Transfers. For each such amount we create a new transaction at the then current applicable rate for Purchases, Cash Advances and Balance Transfers, respectively, and add that transaction to your account as of the date the original payment was first credited to your Accounts.

Payment Allocation.

Subject to any mandatory provisions of applicable law, in most instances, we will allocate any amount over your minimum payment to the highest APR balances first. Payments up to the minimum payment will be applied at our discretion, including to lower APR balances first.

Liability for Unauthorized Use of Your Account.

If your Card or any Check(s) are lost or stolen or if you have reason to think someone may use your Account without your permission, you must notify us at once. Please either visit the website on the back of your Card and send us an e-mail or telephone us at the number on the back of your Card concerning the loss or theft of your Card or Checks or the possible unauthorized use of your Account. Do not use the Card, Account number or any Checks after they have been reported lost or stolen, even if they are found or returned. You will not be liable for unauthorized use of the Account; however, you must identify for us the charges that were not made by you or someone authorized by you and through which you received no benefit. We may require you to provide us with certain information and to comply with our investigation procedures. We may terminate or limit access to your Account if you have notified us or we have determined that your Card or Checks may have been lost or stolen, or that there may be unauthorized access to your Account.

Assignment.

We may at any time assign or sell your Account, any sums due on your Account, this Agreement or our rights or obligations under this Agreement. The person(s) to whom we make any such assignment or sale shall be entitled to all of our rights under this Agreement, to the extent assigned.

Governing Law.

THIS AGREEMENT AND YOUR ACCOUNT WILL BE GOVERNED BY THE LAWS OF THE STATE OF DELAWARE AND, AS APPLICABLE, FEDERAL LAW.

Inquiries or Questions About Your Account

You may address any inquiries or questions which you have about your Account to Barclays Bank Delaware, by visiting the website on the back of your Card and sending us an e-mail, writing us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801, or calling us at the number on the back of your Card. If you telephone or e-mail us instead of writing, you may lose certain rights the law gives you to dispute billing errors (see "Your Billing Rights").

If You Have a Complaint with Us.

We are committed to providing quality products and services to our customers. To do this, we seek opportunities to make lives simpler for our customers, provide avenues for our customers to report any form of dissatisfaction that they may have with us and have established complaint principals. For additional information about our complaint policy, please refer to the Customer Service section on www.barclaycardus.com. If you are unhappy and would like to submit a complaint, you can do so by either writing us at Card Services, P.O. Box 8801, Wilmington, DE 19899-8801, or calling us at 1-888-232-0780 [TDD: 1-866-4-TDD-705 (or 1-866-483-3705)].

Arbitration.

At the election of either you or us, any claim, dispute or controversy ("Claim") by either you or us against the other, arising from or relating in any way to this Agreement or your Account, or their establishment, or any transaction or activity on your Account, including (without limitation) Claims based on contract, tort (including intentional torts), fraud, agency, negligence, statutory or regulatory provisions or any other source of law and (except as otherwise specifically provided in this Agreement) Claims regarding the applicability of this arbitration provision or the validity of the entire Agreement, shall be resolved exclusively by arbitration. For purposes of this provision, "you" includes yourself, any authorized user on the Account, and any of your agents, beneficiaries or assigns, or anyone acting on behalf of the foregoing, and "we" or "us" includes our employees, parents, subsidiaries, affiliates, beneficiaries, agents and assigns, and to the extent included in a proceeding in which Barclays is a party, its service providers and marketing partners. Any Claims sought to be made or remedies sought to be obtained as part of any class action, private attorney general or other representative action (hereafter all included in the term "class action") shall be subject to arbitration, and arbitrated on an individual basis between you and us, not on a class or representative or other collective basis. The arbitrator shall not have any authority to entertain a claim, or to award any relief, on behalf of or against anyone other than a named party to the arbitration proceeding. If any Claim is advanced in a court, arbitration may be elected under this provision instead, and the right to elect arbitration shall not be deemed to have been waived if the election is made at any time before commencement of trial.

Alternatively, you and we may pursue a Claim within the jurisdiction of the Justice of the Peace Court in Delaware, or the equivalent court in your home jurisdiction, provided that the action remains in that court, is made on behalf of or against you only and is not made part of a class action, private attorney general action or other representative or collective action.

The arbitration shall be administered by the American Arbitration Association, www.adr.org, 950 Warren Avenue, East Providence, Rhode Island, 02914, 1-866-293-4053 (the "Administrator"). The Administrator provides information about arbitration, its arbitration rules and procedures, fee schedule and claims forms at its web site or by mail as set forth above. The Administrator will apply the rules and procedures in effect and applicable to the claim at the time the arbitration is filed. The Claim will be heard before a single arbitrator. The arbitration will not be consolidated with any other arbitration proceedings. The Administrator shall resolve each dispute in accordance with applicable law.

If you commence arbitration, you must provide us the notice required by the Administrator's rules and procedures. The notice may be sent to us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801. If we commence arbitration, we will provide you notice at your last known billing address. We agree to honor a request by you to remove the action to a Small Claims Court, provided that we receive the request within thirty days of the notice of commencement of arbitration. Any arbitration hearing at which you appear will take place at a location within the federal judicial district that includes your billing address at the time the Claim is filed.

This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16. No class actions, joinder or consolidation of any Claim with a Claim of any other person or entity shall be allowable in arbitration, without the written consent of both you and us. In the event that there is a dispute about whether limiting arbitration of the parties' dispute to non-class proceedings is enforceable under applicable law, then that question shall be resolved by litigation in a court rather than by the arbitrator; and to the extent it is determined that resolution of a Claim shall proceed on a class basis, it shall so proceed in a court of competent jurisdiction rather than in arbitration.

A party can file with the Administrator a written appeal of a single arbitrator's award within 30 days of award issuance, requesting a new arbitration in front of three neutral arbitrators designated by the Administrator. The panel will reconsider all factual and legal issues, following the same rules of procedure, and will make decisions based on majority vote. Any final arbitration award will be binding on the named parties and enforceable by any court having jurisdiction. Judgment upon any arbitration award may be entered in any court having jurisdiction.

We will pay, or reimburse you for, all fees or costs to the extent required by law or the rules of the arbitration Administrator. Whether or not required by law or such rules, if you prevail at arbitration on any Claim against us, we will reimburse you for any fees paid to the Administrator in connection with the arbitration proceedings. Under no circumstances will we seek from you payment or reimbursement of any fees that we incur in connection with arbitration. In addition, in any arbitration that you elect to file that could be heard in Small Claims Court in your jurisdiction, we will pay the filing fees and other arbitration fees above the cost of filing in that Small Claims Court. If you are required to advance any fees or costs to the arbitration Administrator, but you ask us to do so in your stead, we will consider and respond to your request.

This arbitration agreement applies to all Claims now in existence or that may arise in the future, and it survives the termination of the Cardmember Agreement and the Account relationship, including your payment in full, and your filing of bankruptcy. Nothing in this Agreement shall be construed to prevent any party's use of (or advancement of any claims, defenses, or offsets in) bankruptcy or repossession, replevin, judicial foreclosure or any other prejudgment or provisional remedy relating to any collateral, security or property interests for contractual debts now or hereafter owed by either party to the other under this Agreement.

ARBITRATION WITH RESPECT TO A CLAIM IS BINDING AND NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM THROUGH A COURT. IN ARBITRATION YOU AND WE WILL NOT HAVE THE RIGHTS THAT ARE PROVIDED IN COURT INCLUDING THE RIGHT TO A TRIAL BY JUDGE OR JURY AND THE RIGHT TO PARTICIPATE OR BE REPRESENTED IN PROCEEDINGS BROUGHT BY OTHERS SUCH AS CLASS ACTIONS OR SIMILAR PROCEEDINGS. IN ADDITION, THE RIGHT TO DISCOVERY AND THE RIGHT TO APPEAL ARE ALSO LIMITED OR ELIMINATED BY ARBITRATION. ALL OF THESE RIGHTS ARE WAIVED AND ALL CLAIMS MUST BE RESOLVED THROUGH ARBITRATION.

YOUR BILLING RIGHTS

Your Billing Rights: Keep this Document for Future Use

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within **10 days** telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-928-8598 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you may avoid paying interest on Purchases (except for purchases of Cash Equivalents which includes money orders,

travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers. Cash Equivalents are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information) in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. For Balance Transfers, interest will accrue from the transaction date which generally will be the day we send the Balance Transfer to the payee. For Checks, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-928-8598 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you may avoid paying interest on Purchases (except for purchases of Cash Equivalents which includes money orders,

travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers. Cash Equivalents are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information) in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. For Balance Transfers, interest will accrue from the transaction date which generally will be the day we send the Balance Transfer to the payee. For Checks, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Payment Due Date. You may also avoid paying interest on Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-928-8598 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-928-8598. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you can avoid paying interest on Purchases in any given billing cycle if you pay your Statement Balance in full by the

Payment Due Date. You may also avoid paying interest on Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Payment Due Date. You may also avoid paying interest on Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-928-8598 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to www.BarclaycardUS.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in U.S. dollars from a U.S. based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-928-8598. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or U.S.P.S. Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5:00 P.M. E.T. that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you can avoid paying interest on Purchases in any given

billing cycle if you pay your Statement Balance in full by the Payment Due Date. You may also avoid paying interest on Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in U.S. dollars from a U.S. based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-928-8598. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or U.S.P.S. Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5:00 P.M. E.T. that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you can avoid paying interest on Purchases in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. You may also avoid paying interest on

Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, please call 1-866-928-8598.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from www.BarclaycardUS.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in U.S. dollars from a U.S. based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit www.BarclaycardUS.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-928-8598. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or U.S.P.S. Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5:00 P.M. E.T. that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you can avoid paying interest on Purchases in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. You may also avoid paying interest on

Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

How We Will Calculate Interest.

We use a method called "daily balance (including new purchases)." We calculate interest separately for each "Balance Subject to Interest Rate." These include for example, Purchases at the current rate, Balance Transfers at the current rate, Cash Advances at the current rate, and different promotional balances. Your monthly billing statement shows each "Balance Subject to Interest Rate."

To calculate interest, we first calculate a daily balance for each Balance Subject to Interest Rate. We start with the balance, for that Balance Subject to Interest Rate, as of the end of the previous day. We add any interest calculated on the previous day's balance. (This means interest is compounded daily). We add any new Purchases, Balance Transfers or Cash Advances to the appropriate balance, subtract any new payments or credits from the appropriate balance, and make other adjustments. A credit balance is treated as a balance of zero. We then multiply each daily balance by the applicable daily periodic rate. We do this for each day in the billing period. That gives us the daily interest. We add up all the daily interest for all of the daily balances to get the total interest for the billing period.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

Your due date is at least 23 days after the close of each billing cycle. On Purchases, interest begins to accrue as of the transaction date. However, you can avoid paying interest on Purchases in any given billing cycle if you pay your Statement Balance in full by the Payment Due Date. You may also avoid paying interest on

Purchases if either Paragraph A or Paragraph B of this section applies to your account.

A. If you have Purchase balances with a 0% promotional APR, you can avoid paying interest on those Purchase balances during the promotional period, and the following Paragraph B will not apply to your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

B. If you have Purchase balances with an APR that is greater than 0%, and you also have other types of promotional balances on your account, you still may be able to avoid paying interest on those balances without paying your Statement Balance in full. If this applies to your Account, you will see a Paragraph titled "Avoiding Interest on Purchases (Grace Period)" appearing directly below the Interest Charge Calculation section on the front of this Statement. This will show the amount you can pay by the Payment Due Date and still avoid interest charges on your Purchase balances. This amount may differ from your Statement Balance. It may differ because you currently have certain promotional APR balances, and the nonpayment of these balances will not affect your grace period on Purchases, provided you pay all other balances on your account. (However, to avoid a late fee, pay at least your Minimum Payment Due.)

For Balance Transfers, interest will accrue from the transaction date which generally will be the day the payee accepts the Check. For Cash Advances, interest will accrue from the transaction date which generally will be the day you take the Cash Advance. Please note that purchases of Cash Equivalents, which include money orders, travelers checks, foreign currency, lottery tickets, gambling chips and wire transfers, are treated as Cash Advances and do not have a grace period. See your Cardmember Agreement for more information.

Minimum Interest Charge: This fee, if imposed, appears in the Summary of Fees as a "Minimum Interest Charge" or "Minimum Charge."

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Cardmember, regardless of who made the "Purchase." "Net Purchases" for a billing cycle are determined by totaling all new Purchases added to the Account during the billing cycle, and then subtracting credits posted to the Account during the period for returned Purchases and/or adjustments. For purposes of reporting Net Purchases, we may round up or down to whole dollar amounts. If credits for returned Purchases exceed new Purchases during a billing cycle, we will report negative Net Purchases and ask US Airways to reduce the Primary Cardmember's accrued mileage credit accordingly. Mileage accumulation is subject to certain limitations, exclusions and restrictions. There is no limit to the number of Dividend Miles which may be earned. Net Purchases does not include fees, charges, credit insurance premiums, or transactions posting as Cash Advances or non-qualifying Balance Transfers, whether received from financial institutions, automated teller machines, by use of Barclays Bank Delaware checks, or by any other means. We reserve the right to exclude from Net Purchases unauthorized Purchases, Purchases which are added to your Account after you are past due or over your credit line. We may ask US Airways to withdraw mileage credit previously awarded if your Account is more than sixty (60) days past due, or if the mileage credit was awarded on Purchases not authorized by you. We are not responsible to award mileage credit under the Program, to arrange or provide for any services related to travel or the use of mileage credit, for any delay, failure, or refusal by US Airways to award or redeem mileage credit, or for any decision by US Airways to revoke or cancel mileage or membership in the Program.

d) We will show on your monthly Account statement the Primary Cardmember's accrued mileage credits as reflected in our records. You understand that there will be a delay between the date you make a Purchase, the date we report Net Purchases to US Airways, and the date that US Airways acts upon the information, and that, for this and other reasons, our records and the records of US Airways regarding the Primary Cardmember's accrued mileage may differ. You understand and agree that mileage credit is not received by the Primary Cardmember until awarded by US Airways, and that, in the event of any discrepancy between our records and US Airways records of the Primary Cardmember's accrued mileage credits, the records of US Airways will control.

e) US Airways will award one (1) mile for every one dollar (\$1.00) of Net Purchases made with your Account, rounded to the nearest dollar and two (2) miles will be awarded for every one dollar (\$1.00) of Net Purchases made with your Account of all US Airways goods and services purchased directly from US Airways, including any eligible fare ticket for flights completed by US Airways, the US Airways Express® carriers, US Airways Shuttle® and US Airways Vacations®, rounded to the nearest dollar. Dividend Miles can be redeemed for travel to over 800 destinations worldwide on US Airways' 22 airline partners, including the Star Alliance® network. The 200 destinations that US Airways flies to are included in the 800 destinations. Purchases of US Airways products or services that are a component of any cruise or tour package not marketed by US Airways do not earn US Airways mileage purchase bonuses. From time to time, we may offer bonuses or awards of mileage credit or other premiums (for example, First Use Miles) to new US Airways MasterCard Cardmembers. Unless otherwise stated in the offer, these bonuses and/or awards are intended for persons who are not, and have not previously been, US Airways MasterCard Cardmembers. You understand and agree that, unless we otherwise state, you are no longer eligible to receive these bonuses and/or awards for any new US Airways MasterCard account you open after this Account is opened. If you receive a bonus or award for which you are not eligible, we may direct US Airways to revoke the bonus or award, or reduce your mileage credit by the amount of the award, or charge your Account for the fair value of the bonus or award, at our option.

f) US Airways is not a party to the Credit Card Cardmember Agreement between you and us, does not participate in any extension of credit and has no authority regarding the Account. Barclays Bank Delaware is the sole creditor and owner of the Account. You authorize us to share information about your Account with US Airways to the extent needed to administer the US Airways Dividend Miles Reward Program. You also agree that we may share Account information as set forth in Barclays Bank Delaware's Privacy Policy.

Specific taxes, fees, and charges may vary due to itineraries and/or exchange rate fluctuations. These additional taxes can vary due to itineraries and/or exchange rate fluctuations. We use this information to evaluate your application, to inform and enhance your Account, to carry out your transactions, provide you with high-quality service, prevent fraud, and, unless you instruct us otherwise, inform you of offers for our products as well as products and services offered by third parties. We may also use this information to confirm your identity when you call us to inquire about your Account(s).

Cookies.

"Cookies" are small computer files that are automatically placed on your computer's hard drive when you are connected to a website or remote server so that the website can recognize you upon your return to the website and tailor your experience based on your earlier use of the site. "Action tags" (also known as Web Beacons, Trackers, or Bugs) are invisible pixel .gif files placed on web pages that are used to track web navigation to those pages.

We use a cookie for each computer that visits our site. The cookie is integral to the customer experience and is necessary to use our online services. It allows us to customize the website presentation based on your Account(s). While cookies, including ours, can be disabled, if you disable our cookie you will not be able to use our website.

The cookie does not collect information from your hard drive; rather, it allows us to recognize you and know how you navigated through our site. It is also part of our effort to detect and stop fraud.

Cookies may be used by our partners who have links on our website. These cookies allow those vendors to recognize you and monitor your use of the site. For more information about their use of cookies, see their privacy policies, links to which are available in the online version of this Privacy Policy.

We also may place web advertisements that link to our site from other websites. The companies that place or "serve" the advertisements use their own cookies, which are different from the cookie on the site on which the advertising appears. The cookies used by the companies that may serve ads for us do not track your name, address, email address, or phone number. The ad server's cookie does recognize your computer and allows the ad server to determine automatically which ads to show you, based on your use of our website, other sites you have visited, and ads you have previously seen and/or responded to. The ad server also uses action tags to understand how a person navigated on our site after responding to one of our banner ads. This information is never linked to an individual and is only used in aggregate with other information generated by visitors to our site. You have the right to elect not to participate in this anonymous tracking of information, which is used to select which ads to display when you visit certain websites. In order to determine your comfort level with these companies' information practices, you should review their privacy policies. We post links to the privacy policies of the advertising companies we are currently using in the online version of this policy. Click on the advertiser name to go to its website to learn more about that agency's privacy policy, its use of cookies and action tags, and the options available to you in relation to those cookies.

At present, we do not allow third-party serving of advertising on our website. To the extent we do allow advertisements, we will post a link from our online Privacy Policy to the privacy policy of the company or partner that is referenced in each advertisement. We recommend that you review each company or partner's privacy policy including their use of cookies to understand their information-handling practices and your options.

Sharing Information.
We may disclose information about you to the following types of third parties: service companies (companies that provide services that allow us to process transactions, provide statements, maintain our website and provide customer service, including customer contact); affiliates (companies owned by Barclays Bank Delaware's owner Barclays Financial Corp.); non-financial companies (merchants who offer non-financial goods and services to our customers); partners (universities, colleges, charities, other business, and financial institutions through which we market products); financial service providers (companies with which we partner to market financial products); and credit bureaus, collection agencies, law enforcement regulators, and professionals such as lawyers and accountants. Outlined below is the information shared with each type of third party and, as appropriate, your options.

i. Barclays Financial Corporation and Affiliates.

Barclays Financial Corp. is a Delaware bank holding company that owns Barclays Bank Delaware. Both Barclays Financial Corp. and Barclays Bank Delaware are a part of the Barclays PLC family of companies. As such, in our Account Agreements and other notices, we may share information with our affiliates (companies that are at least 50 percent owned by Barclays PLC). The information sharing by affiliates may be related to one or more of four areas: servicing your Account; regulatory and legal compliance; fraud and loss protection; and/or furnishing information about offers of goods and services offered by our affiliates.

You may elect not to receive offers from our affiliates, and thereby prevent information from being shared for that purpose, by visiting us online at the web address listed on the back of your card or by calling our Customer Service Center at 1-866-203-9560. For more information regarding your options regarding information sharing with our affiliates, see "Your Privacy Options".

ii. Sharing Information with Service Companies.

In order to provide quality service and statements, both online and offline, we contract with service providers for essential roles in processing transactions, producing statements and providing customer service including contacting customers. We may disclose some or all of the information we collect to these processors and service providers but only the information needed to provide the service. Each of our service providers has entered into a contract with us that forbids them from using information provided by us for any purpose other than providing the service for our customers. We take security precautions to monitor the use of the information and prevent the use of the information for any other purpose.

iii. Sharing Information with Merchants.

We do not share any information with unrelated merchants for the purpose of extending offers of goods and services without your consent. The manner and use of information varies according to the method used to deliver the offer.

a. Mail and email offers. We may provide offers of goods and services to you by mail and email without sharing information with the merchants who provide these goods and services. We do this by controlling the process by which the offers are extended. For example, a merchant wants to make a discount offer to our Account holders. Based on our knowledge of our customers, we select the Account holders we believe will most likely be interested in the offer and arrange to have a service provider mail or email the offer to you under the same security precautions we use to send a monthly statement. The only information we provide the mail or email service provider is your name and address. Our contract with the service provider prohibits use of the name and address for any other purposes, and we take security precautions to monitor compliance. The merchant gets no information about you unless, and until, you respond to the offer. For more information about consent to receive offers, see "Your Privacy Options".

b. Phone offers. We may provide offers of goods and services by telephone. In doing so, we do not disclose any of your personal information to merchants on whose behalf we extend offers of goods and services. To the extent we engage a service provider to assist us in extending the offer, the only information we will provide the service provider is your name, address, phone number, and an internal reference number. We provide your name, address, and phone number to allow our service provider to contact you. The internal reference number cannot be used to process a charge to your Account. The internal reference number is used by the service provider to advise us that you have agreed to a transaction. When you accept an offer, we use the internal reference number to match the transaction to your Account to allow the transaction to be processed without you giving your Account number over the phone. This process provides two advantages: first, it minimizes the possibility of misuse of your Account by limiting those with access to your Account number; and second, you know that the offer is being extended by us and will include a generous return and refund policy to allow you to shop in confidence. We also take security precautions to monitor and prevent misuse of the information provided to the service provider. For more information about your consent to receive offers, see "Your Privacy Options" on page 2.

iv. Sharing Information with Partners.

We offer our products in conjunction with colleges, universities, charities, financial institutions, and other businesses. By joining through one of these endorsed relationships, you agree to the sharing of information with that partner. These relationships are clearly stated in the Account application, and by applying for these products you agree to the information sharing by us and the partner, which may include: your name, address, phone number, and email address. To the extent a program includes a rewards program or other benefit based on Account usage, we will provide the partner with

information necessary to manage the program, including, as an example and not a limitation, number of transactions and dollar amount of purchases, payments, and credits. By applying for these products, you consent to sharing information necessary to support the particular program.

v. Joint Marketing.

From time to time, we may enter into marketing agreements with other financial institutions to jointly offer a product. In these cases, we may share all information we collect about you to determine your eligibility for the products and to extend an offer to you. This information sharing will be subject to the same contractual restrictions and security precautions used for sharing information with service providers and vendors. Your options regarding these offers (and the sharing of information) are the same as those available for information sharing with one of our affiliates.

vi. Credit Reports and Other Uses of Information.

In applying for an Account, you agree that we may request consumer credit reports from one or more credit reporting agencies in connection with your application and after the opening of your Account, the administration of your Account. You also authorize us to exchange credit information concerning you or your use of the Account with (and answer questions and requests from) others, such as merchants, other lenders, and credit reporting agencies.

We also share information with collection agencies, lawyers, accountants, auditors, bank regulators, and law enforcement as may be necessary in the administration of your Account or to respond to a legal inquiry or subpoena.

Minors.

We do not knowingly offer products and services to minors. Similarly we do not collect information about children, except to identify beneficiaries. Our application approval process is designed to identify applications submitted by children and to prevent their opening an Account. We may offer Uniform Gifts to Minor Accounts, which typically include the name of the minor but may only be opened with an adult signatory on the Account.

Access to Account Information and Correction of Errors.

You have the right to access your Account details and transaction information, including your application. Up to 14 months of statements are available online on the website set forth on the back of your card. If you have a question or believe there is an error on your Account, write, log in to send us an email via our secure website, or call us as soon as possible so as not to lose any rights. When contacting us be sure to include your name and Account number, along with a description of the error including the dollar value.

Questions.

We are committed to customer service and privacy. If you have any questions, comments, or concerns regarding our Privacy Policy and its implementation, please do not hesitate to visit our website at the web address listed on the back of your card, send us an email, or call us at 1-866-203-9560.

A. BARCLAYS BANK DELAWARE CARDMEMBER AGREEMENT

1. Introduction.

This Agreement (and any amendments) and the enclosed Important Account Information document establishes the terms of your Credit Card Cardmember Account ("Account") with Barclays Bank Delaware, Wilmington, Delaware. Please read it carefully and keep it with your records. You do not need to sign this Agreement, but please sign the back of your credit card (the "Card"), if you have not already done so. All extensions of credit in connection with your Account are being made by Barclays Bank Delaware.

2. Definitions.

"You" and "your" refer to each person who has applied for, accepted, or used the Account and each person who has agreed to be responsible for the Account. The words "we," "us" and "our" refer to Barclays Bank Delaware. If we use a capitalized term in this document but do not define the term in this document, the term has the meaning as used in your monthly statement.

3. Using Your Account.

You agree to the terms and conditions of this Agreement. You may use your Card or Account to pay for goods, services or amounts owed wherever the Card is accepted ("Purchases"), to obtain funds using Convenience Checks and to transfer all or part of balances from Visa, MasterCard, American Express and Discover credit card accounts that you have with other banks or lenders ("Balance Transfers"). You also may use the Card to obtain cash loans ("Cash Advances") at any financial institution or automated teller machine that accepts the Card. You agree that we may credit your Account rather than issue cash refunds when you reverse transactions that were originally charged to your Account. You agree that you will not use your Card or Account in connection with any transaction that is prohibited or unenforceable and that if you do engage in such a transaction you waive any claim that the charge is collectible on the grounds the transaction was prohibited or unenforceable. The Card must be returned to us upon request. We may replace your Card with another Card at anytime.

4. Convenience Checks.

We may issue "Convenience Checks," which can be used to access your credit line. There is no grace period on Convenience Check transactions. Each Convenience Check will contain your Account number and may be used only by the person(s) whose name(s) is/are printed on it. Each must be completed and signed in the same manner as a regular personal check. If we provide Convenience Checks to you, you may not use them to pay any amount you owe under this Agreement or under any other account you may have with us. Unlike purchase transactions, there are no charge back rights with regard to Convenience Check transactions.

5. Obligations on Your Account.

You authorize us to pay and charge your Account for all Purchases, Balance Transfers, Convenience Checks and Cash Advances made or obtained by you or anyone you authorize to use your Card or Account. You agree to pay us for all of these Purchases, Balance Transfers, Convenience Checks and Cash Advances, plus any finance charges assessed on your Account and any other charges and fees which you may owe under the terms of this Agreement, whether resulting from 1) physical use of your Card or Convenience Checks, 2) mail order or telephone, computer or other electronic transaction made without presenting the Card or 3) any other circumstances where you authorize a charge, or authorize someone else to make a charge, to your Account. Each person who has agreed to be responsible on the Account is responsible to pay the full amount owed on the Account. We may require that you pay the full amount owed without first asking any other person(s) to pay. Instructions for making payments are on your monthly billing statement. Payments that comply with the requirements specified on or with your monthly billing statement, including the time of receipt, will be credited on the business day they are received. Payments must be mailed to the correct P.O. Box or street address specified for U.S. Priority Mail and overnight payments. **There may be a delay of up to five (5) days in crediting payments that are not made in accordance with those instructions. Please allow at least seven (7) days for the U.S. Postal Service to deliver your payment.** All payments must be made in U.S. dollars. Any payment made by check or other negotiable instrument or direct debit must be drawn on a U.S. bank or a U.S. branch of a foreign bank. We reserve the right to accept payments made in a foreign currency. If we do, we will select the foreign currency rate at our discretion. **Your available credit may not be immediately increased by the amount of the payment for up to seven (7) days to ensure we collect the funds from the bank on which your payment is drawn.** If you overpay or if there is a credit balance on your account, we will not pay interest on such amounts.

6. Payment Allocation.

Subject to any mandatory provisions of applicable law, we will apply your payments to the balances on your Account in whatever manner we determine. In most instances, we will allocate your payments to balances with lower Annual Percentage Rates (APRs) before balances with higher APRs. This may result in balances with lower APRs (such as balances with introductory or promotional APR offers) being paid before any other existing balances.

7. Credit Line/Authorized Usage.

Your credit line is shown on the folder containing your Card. **We may change your credit line from time to time—either increase or decrease it—in our sole discretion.** If at any time (including in the first month after your account is opened) you engage in account actions or activity that we perceive could have a negative impact on your credit standing with us, we may decrease your credit line or close your account. Your latest credit line will appear on your monthly billing statement. **You agree not to make a Purchase, authorize a Balance Transfer, use a Convenience Check or obtain a Cash Advance that would cause the unpaid balance of your Account to exceed your credit line. We may honor Purchases, Balance Transfers, Convenience Checks and/or Cash Advances in excess of your credit line at our sole discretion. If we do, this Agreement applies to that excess and you agree to pay the excess immediately if we request that you do so. In addition, we may impose an over your credit line charge as set forth in the Table of Account Fees and Other Charges. You agree that we may change or cancel your credit line at any time without affecting your obligation to pay amounts that you owe under this Agreement.** We may designate that only a portion of your credit line is available for Cash Advances. **If we do and you exceed your line, you will be considered to have exceeded your credit line for all purposes of this Agreement. We may limit the authorizations to make Purchase, Cash Advance, Balance Transfer and/or Convenience Check transactions that may be accomplished with your Card or Account.**

8. Monthly Billing Statements.

We will send an electronic or a paper billing statement, unless otherwise agreed, at the end of each monthly billing cycle in which your Account has a debit or credit balance of more than \$1.00 or if a finance charge has been imposed, unless we deem your account uncollectible or if delinquency collection proceedings have been instituted by sending your Account to an outside collection agency or attorney for collection. Among other things, your monthly statement will show your Current Balance, any finance charge, your credit line, available credit, Minimum Payment Due and the Payment Due Date. For those who receive electronic billing statements, we will send you monthly an e-mail to the e-mail address you provide us notifying you when your new statement is available. It is your responsibility to make sure that the e-mail address you provide us is current.

9. Minimum Payment Due.

If the Current Balance shown on your monthly statement is less than \$15, your Minimum Payment Due (due by the Payment Due Date) will be that Current Balance amount. Otherwise, if your Current Balance is greater than \$15, your Minimum Payment will be the total of 1) 1% of the Principal Balance (defined as the total Current Balance minus Periodic Rate Finance Charges, Returned Payment Charge, and if we so elect, any Over Your Credit Line Charge or Late Charge, that are incurred during the current billing cycle), plus 2) Periodic Rate Finance Charges accrued during the current billing cycle, plus 3) any Returned Payment Charge (and if we so elect, any Late Charge or Over Your Credit Line Charge), incurred during the current billing cycle, plus 4) if we so elect, any amount past due or amount over your credit line at the time of billing. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us. In certain instances your minimum payment may be less than your total fees and finance charges.

10. Accrual of Periodic Rate Finance Charges and Grace Period.

We calculate the "balance subject to Periodic Rate finance charge" separately for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances. On Purchases, periodic rate finance charges begin to accrue as of the transaction date. However, you will have a grace period on Purchases (except for purchases of money orders, traveler's checks, foreign currency, lottery tickets, gambling chips or wire transfers, which are treated as Cash Advances for periodic rate finance charge calculation purposes) and you will not pay a finance charge on Purchases in any given billing cycle if you pay your Current Balance in full by the Payment Due Date on your current statement. For Balance Transfers and Convenience Checks a periodic rate finance charge will accrue from the day

we send the Balance Transfer to the payee or the day the payee accepts the Convenience Check. For Cash Advances a periodic rate finance charge will accrue from the day you take the Cash Advance. There is no grace period on Balance Transfers, Convenience Checks and Cash Advances.

11. Periodic Rate Finance Charges.

To determine the periodic rate finance charge, we apply the applicable Daily Periodic Rate, stated in the Table of Account Fees and Other Charges, on the back page of this booklet, to the daily balances of i) Purchases, ii) Balance Transfers and Convenience Checks, and iii) Cash Advances. All charges (including but not limited to Other Interest Charges) are treated as Purchases except Balance Transfer Finance Charges and Convenience Check Finance Charges, which are treated as Balance Transfers, and Cash Advance Finance Charges and Transaction Finance Charges, which are treated as Cash Advances. The daily balances for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each feature on your Account each day, including any periodic rate finance charges calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. If you multiply the average daily balances as disclosed on your monthly billing statement by the number of days in the billing period and by the applicable Daily Periodic Rates, the results will be the periodic rate finance charges assessed, except for minor variations caused by rounding. If we have "special" or "promotional" offers in effect from time to time, we will separately identify them on your monthly billing statement and separately disclose the balances to which such special offers apply. These separate balances and the related periodic rate finance charge will be calculated in the same manner as described above.

12. Variable Rate Information.

The Annual Percentage Rates ("APRs") on your Account will be variable rates. The variable APR formula is calculated by adding together an index and a margin. The index is the highest U.S. Prime Rate (the "Prime Rate") in the "Money Rates" section of The Wall Street Journal on either the first or last day of the billing cycle (or the next business day if the applicable day is not a business day). The applicable margins that will be applied are described on the enclosed Important Account Information document. The APR corresponds to a Daily Periodic Rate ("DPR") which is calculated by dividing the APR by 365. If The Wall Street Journal does not publish the Prime Rate, or if it changes the definition of the Prime Rate, we may, at our sole discretion, substitute another index. The APR and the DPR may increase or decrease monthly if there is an increase or decrease in the Prime Rate. There is no limitation on the amount of any increase. Any increase or decrease will cause a corresponding increase or decrease in the amounts of finance charges assessed and possibly in the Minimum Payment Due.

13. Other Finance Charges.

If you use your Card or Account to obtain a Cash Advance, we will charge a Cash Advance Finance Charge for each such Cash Advance. If you use your Card or Account to do a Balance Transfer, we will charge a Balance Transfer Finance Charge for each such Balance Transfer. If you use a Convenience Check, we will charge a Convenience Check Finance Charge for each such Convenience Check. If you purchase money orders, wire transfers, traveler's checks, lottery tickets, gambling chips or foreign currency, we will charge a Transaction Finance Charge for each such transaction. The present amounts of those charges are stated in the Table of Account Fees and Other Charges. The total finance charges on your Account for a monthly billing cycle will be the sum of the periodic rate finance charges plus any Cash Advance, Balance Transfer, Convenience Check or Transaction Finance Charges. The minimum Periodic Rate FINANCE CHARGE in any billing cycle you owe a periodic rate finance charge is \$1.00. This Agreement provides for compounding of finance charges (interest). Periodic rate finance charges are subject to changes as described in the Table of Account Fees and Other Charges and the section entitled, "Changes in This Agreement."

14. Other Interest Charges.

In addition to the finance charges discussed above, we may assess the interest charges listed below. The current amount of such charges is stated in the Table of Account Fees and Other Charges.

Late Charge—If we do not receive a payment from you in at least the amount of your Minimum Payment Due by the Payment Due Date shown on your monthly statement, we may charge you a Late Charge. You may be charged one Late Charge for each Minimum Payment Due which is not paid by the Payment Due Date.

Returned Payment Charge—If your bank does not honor a check or direct debit you deliver to us, or we must return a check because it is not signed or is otherwise irregular, we may charge you a Returned Payment Charge.

Returned Convenience Check Charge—If we do not receive payment on a Convenience Check, at your request or 2) return a Convenience Check unpaid because it exceeds your available credit line at the time it is processed, your Account is closed or otherwise does not have charge privileges, you did not comply with our instructions regarding the check or your Account is past due, we may charge you a Returned Convenience Check Charge.

Over Your Credit Line Charge—If your account balance exceeds your credit line at any time during the monthly Billing Cycle, we may charge you an Over Your Credit Line Charge. **This fee will be assessed even if fees or finance charges assessed by us caused you to exceed your credit line.** The Over Your Credit Line Charge is not applicable to World Card Cardholders. If your account balance exceeds your credit line at the end of any Billing Cycle, you will have an opportunity to avoid an Over Your Credit Line Charge in the next monthly Billing Cycle. **To avoid an Over Your Credit Line Charge in the next Billing Cycle, your account balance must be less than your credit line on the twentieth day of that Billing Cycle and must remain below the credit line for the rest of that Billing Cycle. If your account balance exceeds your credit line at any time on or after the twentieth day of that Billing Cycle you may be charged an Over Your Credit Line Charge.**

15. Administrative Charges.

If you request photocopies of monthly billing statements, or if you request any special services such as obtaining Cards on an expedited basis, you agree to pay our reasonable charges for such services, in effect at that time. The present charges for such services are specified in the Table of Account Fees and Other Charges.

16. Default/Collection Costs.

Unless otherwise prohibited by law, your Account will be in default and we may demand immediate payment of the entire amount you owe us if: 1) in any month we do not receive your Minimum Payment Due by the Payment Due Date; 2) you make Purchases, initiate Balance Transfers, use Convenience Checks or obtain Cash Advances in excess of your credit line; 3) you fail to comply with this Agreement; 4) there is a filing for your bankruptcy; 5) you die or become incapacitated; or 6) we believe in good faith that the payment or performance of your obligations under this Agreement is impaired for any other reason. As permitted by applicable law, you agree to pay all collection expenses actually incurred by us in the collection of amounts you owe under this Agreement (including court or arbitration costs and the fees of any collection agency to which we refer your Account) and, in the event we refer your Account after your default to an attorney who is not our regularly salaried employee, you agree to pay the reasonable fees of such attorney. We will not be obligated to honor any attempted use of your Account if a default has occurred or we have determined to terminate your Account or limit your Account privileges (as discussed below).

17. Arbitration.

Any claim, dispute or controversy ("Claim") by either you or us against the other, or against the employees, agents or assigns of the other, arising from or relating in any way to this Agreement or your Account, or any transaction on your Account including (without limitation) Claims based on contract, tort (including intentional torts), fraud, agency, negligence, statutory or regulatory provisions or any other source of law and Claims regarding the applicability of this arbitration clause or the validity of the entire Agreement, shall be resolved exclusively and finally by binding arbitration under the rules and procedures of the arbitration Administrator selected at the time the Claim is filed. The Administrator selection process is set forth below. For purposes of this provision, "you" includes any authorized user on the Account, agents, beneficiaries or assign of you; and "we" or "us" includes our employees, parents, subsidiaries, affiliates, beneficiaries, agents and assigns. Claims made and remedies sought as part of a class action, private attorney general or other representative action are subject to arbitration on an individual basis, **not** on a class or representative basis.

As an exception to arbitration you and we may pursue a Claim within the jurisdiction of the Justice of the Peace Court in Delaware, or the equivalent court in your home jurisdiction (each a "Small Claims Court"), **provided** that the action remains in that court, is made on behalf of you and/or your authorized user only and is **not** made part of a class action, private attorney general action or other representative or collective action. Further, you and we agree not to seek to enforce this arbitration provision, or otherwise commence arbitration based on the same claims in any action brought before the Small Claims Court. The party initiating arbitration shall select the entity that will serve as Administrator for the arbitration process from among the following providers (each an "Administrator") provided that if we commence the arbitration, you have the right to have the other provider be used in lieu of our choice:

National Arbitration Association, www.adr.org or 950 Warren Avenue, East Providence, Rhode Island, 02914, 1-866-293-4053

American Arbitration Association, www.adr.org or 950 Warren Avenue, East Providence, Rhode Island, 02914, 1-866-293-4053

Each Administrator provides information about arbitration, its arbitration rules and procedures, fee schedule and claims forms at its web site or by mail as set forth above. The Administrator selected will apply the rules and procedures in effect at the time the arbitration is filed. The Claim will be heard before a single arbitrator, whose authority is limited exclusively to the Claims between you and us. The arbitration will not be consolidated with any other arbitration proceedings.

If you commence arbitration, you select one of the Administrators and must provide us the notice required by that Administrator's rules and procedures. The notice may be sent to us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801. If we commence arbitration, we will elect the Administrator and provide you notice at your last known billing address. We agree to honor your request to change Administrators, **provided** that (i) your Account is not sixty days or more past due; and (ii) we receive the request within thirty days of the notice of commencement of arbitration. Any arbitration hearing at which you appear will take place at a location within the federal judicial district that includes your billing address at the time the Claim is filed. This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16. Judgment upon any arbitration award may be entered in any court having jurisdiction. **No class actions, other representative actions, or joinder or consolidation of any Claim with a Claim of any other person or entity shall be allowable in arbitration, without the written consent of both you and us.**

If you prevail at arbitration on any Claim against us, we will reimburse you for any fees paid to the Administrator in connection with the arbitration proceedings. In addition, in any arbitration that you elect to file that could be heard in Small Claims Court in your jurisdiction, we will pay the filing fees and other arbitration fees above the cost of filing in that Small Claims Court.

This arbitration agreement applies to all Claims now in existence or that may arise in the future except for Claims by or against any unaffiliated third party to whom ownership of your Account may be assigned, in which case this arbitration agreement will apply only if you or the third party chose arbitration. This arbitration agreement survives the termination of the Cardmember Agreement or the Account relationship, including your payment in full, and your filing of bankruptcy. Nothing in this Agreement shall be construed to prevent any party's use of (or advancement of any claims, defenses, or offsets in) bankruptcy or repossession, replevin, judicial foreclosure or any other prejudgment or provisional remedy relating to any collateral, security or property interests for contractual debts now or hereafter owed by either party to the other under this Agreement.

ARBITRATION WITH RESPECT TO A CLAIM IS BINDING AND NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM THROUGH A COURT. IN ARBITRATION YOU AND WE WILL NOT HAVE THE RIGHTS THAT ARE PROVIDED IN COURT INCLUDING THE RIGHT TO A TRIAL BY JUDGE OR JURY AND THE RIGHT TO PARTICIPATE OR BE REPRESENTED IN PROCEEDINGS BROUGHT BY OTHERS SUCH AS CLASS ACTIONS OR SIMILAR PROCEEDINGS. IN ADDITION, THE RIGHT TO DISCOVERY AND THE RIGHT TO APPEAL ARE ALSO LIMITED OR ELIMINATED BY ARBITRATION. ALL OF THESE RIGHTS ARE WAIVED AND ALL CLAIMS MUST BE RESOLVED THROUGH ARBITRATION.

18. Termination.

We may terminate your privileges under this Agreement or limit your right to make Purchases, initiate Balance Transfers, use Convenience Checks or obtain Cash Advances at any time for any reason without prior notice. If we ask, you must return your Cards and any unused Convenience Checks to us, cut in half. You agree that you will not try to make a Purchase, use a Convenience Check, initiate a Balance Transfer or obtain a Cash Advance after you have been notified that your privilege to use your Account has been terminated. You may terminate this Agreement at any time. If you do, you must return to us all Cards and Convenience Checks previously issued on the Account. If you call us, we may require that you confirm your termination in writing. Termination will not affect existing obligations under this Agreement or your liability for all charges posted to your Account prior to the time all Cards and unused Convenience Checks issued on your Account are returned to us.

19. Consent to Receive Electronic Notices.

By signing, keeping or using your Card or Account, you affirmatively consent to receive all periodic billing statements and all other notices electronically when legally allowed, if you provide us an

e-mail address and other legally required consent, and otherwise by paper at the address shown in your files. If this is a joint Account, we can send statements and notices to either of you. You promise to inform us promptly in writing of any change in your e-mail address or your U.S. mail address. You may update this information by visiting usairwaysmastercard.com and sending us an e-mail or telephoning us at the telephone number provided below (under "Inquiries or Questions"). We may in our discretion accept address corrections from the United States Postal Service. If at any time you need a paper copy of statements or notices, or you change your mind and prefer to receive all your statements and notices in paper rather than electronic form, telephone us at the number provided below or visit us at usairwaysmastercard.com and send us an e-mail. In order to access your statements and notices electronically, you must have a computer equipped with at least a 40-bit JavaScript-enabled Netscape or Microsoft browser at the Version level 4.0 or higher. In order to retain your statements and notices, you must have a printer attached to your computer that can print them out or a drive or other storage device onto which you can download them. By accepting this Agreement, you confirm that you have the software and equipment that satisfies these requirements to enable you to access and retain your statements and notices electronically.

20. Currency Conversion Charge.

We and MasterCard (or their affiliates) will convert transactions in foreign currencies into U.S. Dollars. MasterCard will use their currency conversion procedures that are current at the time of the transaction. Currently, the currency conversion rate they use is either the wholesale market rate or the government-mandated rate in effect under those procedures increased by one percent. The currency conversion rate used on the conversion date may differ from the rate in effect on the date you used your Card or Account.

21. Transaction Fee for Purchases Made in a Foreign Currency.

If you use your Card or Account for a transaction with a business, other entity or person in a currency other than U.S. dollars, we will charge a Currency Conversion Charge as disclosed in the Table of Account Fees and Other Charges for each such transaction, excluding Cash Advances.

22. Skip/Promotional Features.

From time to time, we may let you skip or reduce one or more monthly payments during a year (Periodic Rate finance charges will continue to accrue) and/or we may temporarily reduce or eliminate certain finance charges on all or a portion of your Account balance or offer you other special terms. If we do, we will advise you of the scope and duration of the applicable skip or promotional feature. When the skip or promotional feature ends, your regular rates and terms will resume.

23. Changes in This Agreement.

We can at any time change this Agreement, including the annual percentage rate and any fees, and can add or delete provisions relating to your Account or to the nature, extent and enforcement of the rights and obligations you or we may have under this Agreement. We will notify you of any change, addition or deletion. We may increase or decrease any or all of your APRs. As permitted by applicable law, any change, addition or deletion to this Agreement will become effective at the time stated in our notice and, **unless we state otherwise, the change, addition or deletion will apply to all outstanding balances in your Account as well as to new transactions.** The notice we send you may state that you may notify us in writing within a specified time period that you do not wish to accept the changes, additions and deletions we are making. **You will be deemed to accept all the changes, additions and deletions accompanying the notice and to ratify and confirm all the provisions of your Agreement and your acceptance of all the changes, additions and deletions described in other notices previously sent to you if 1) you do not notify us that you do not agree to the change, addition or deletion in the time frame set forth in the notice, or 2) you use the Card or Account after the conclusion of the specified time period.**

24. Credit Information.

You agree that we may request consumer credit reports from one or more credit reporting agencies in connection with your application and the administration of your Account. You also authorize us to exchange credit information concerning you or your Account with (and answer questions and requests from) others, such as merchants, other lenders and credit reporting agencies.

25. Credit Performance.

Your Account was established based upon criteria which reflect your particular credit history. We will from time to time review your credit performance. If you do not maintain your past level of credit performance with us, we may change some or all of the Account terms on your Account, and if we do we will notify you as provided in this Agreement.

26. Phone Calls/Electronic Communications.

In the regular course of our business, for quality control purposes, we may monitor and record phone conversations made or received by our employees. Similarly, we may monitor and record e-mail or conversations on our website between you and our employees. You agree that we will have such right with respect to all phone conversations, e-mail or conversations between you and our employees, whether initiated by you or any of our employees.

27. Refusal to Honor Card.

We are not responsible for refusals to honor your Card or Convenience Checks. And, except as otherwise required by applicable law or regulation, we will not be responsible for merchandise or services purchased or leased through use of your Account.

28. Irregular Payments and Delay in Enforcement.

We can accept late payments, partial payments, checks and money orders marked "Paid in Full" or language having the same effect without losing any of our rights under this Agreement. We can also delay enforcing our rights under this Agreement any number of times without losing them. The fact that we may at any time honor a Purchase, Balance Transfer, Convenience Check or Cash Advance in excess of your maximum credit line does not obligate us to do so again.

29. Liability for Unauthorized Use of Your Account.

If your Card or Convenience Checks are lost or stolen or if you have reason to think someone may use your Account without your permission, you must notify us at once. Please either visit usairwaysmastercard.com and send us an e-mail or telephone us at 1-866-203-9560 concerning the loss or theft of your Card or Convenience Checks or the possible unauthorized use of your Account. Do not use the Card, Account number or any Convenience Checks after they have been reported lost or stolen, even if they are found or returned. You will not be liable for unauthorized use of the Account; however, you must identify for us the charges that were not made by you or someone authorized by you and through which you received no benefit. We may require you to provide us with certain information and to comply with our investigation procedures. We may terminate or limit access to your Account if you have notified us or we have determined that your Card or Convenience Checks may have been lost or stolen, or that there may be unauthorized access to your Account.

30. Assignment.

We may at any time assign your Account, any sums due on your Account, this Agreement or our rights or obligations under this Agreement. The person(s) to whom we make any such assignment shall be entitled to all of our rights under this Agreement, to the extent assigned.

31. Governing Law.

THIS AGREEMENT AND YOUR ACCOUNT WILL BE GOVERNED BY THE LAWS OF THE STATE OF DELAWARE AND, AS APPLICABLE, FEDERAL LAW.

32. Inquiries or Questions.

You may address any inquiries or questions which you have about your Account to Barclays Bank Delaware, by visiting usairwaysmastercard.com and sending us an e-mail, writing us at Barclays Bank Delaware, P.O. Box 8801, Wilmington, DE 19899-8801, or calling us at 1-866-203-9560. If you telephone us instead of writing, you may lose certain rights the law gives you to dispute billing errors (see "Your Billing Rights").

33. Your Billing Rights.

Keep This Notice for Future Use.

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us in Case of Errors or Questions About Your Bill.

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. Do not write on your bill; use a separate sheet of paper. Alternatively, you may visit

usairwaysmastercard.com and send us an e-mail. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter or e-mail, give us the following information:

- Your name and Account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error.

If you need more information about a transaction, describe the item you are not sure about.

Your Rights and Our Responsibilities After We Receive Your Written Notice.

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct. After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit line. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due. If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill, and we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is. If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct. If you have a problem with the quality of property or services that you purchased with a credit card (this does not apply to Convenience Check transactions), and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

(a) You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address, and (b) the purchase price must have been more than \$50. These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or service.

Daily Periodic Rate(s) and corresponding ANNUAL PERCENTAGE RATE(S) may vary. Please read the Important Information section of this statement.				

Additional Customer News**IMPORTANT INFORMATION ABOUT THE VARIABLE RATES ON YOUR ACCOUNT**

For any APR on your account that varies with the market based on the Prime Rate, we are changing the date that we use to determine the Prime Rate each billing cycle. Instead of using the highest Prime Rate on the first or last day of your billing cycle, which is our current practice, we will select the Prime Rate on the last business day of each calendar month. This means effective in February 2010, the Prime Rate used to determine the APRs on your account will be the highest rate published in the Money Rates column of *The Wall Street Journal* on the last business day of each calendar month. Any change in the Prime Rate will cause a corresponding change to your APR on the first day of the billing cycle that begins in the same month in which the applicable Prime Rate is published.

When Periodic Rate Finance Charges begin to accrue We calculate the Average Daily Balance separately for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances. On Purchases, periodic rate finance charges begin to accrue as of the transaction date. For Balance Transfers and Convenience Checks a periodic rate finance charge will accrue from the day we send the Balance Transfer to the payee or the day the payee accepts the Convenience Check. For Cash Advances a periodic rate finance charge will accrue from the day you take the Cash Advance.

Periodic Rate Finance Charges

Non - Iowa Residents - To determine the periodic rate finance charge we apply the applicable daily periodic rates, stated on this statement, to the daily balances of i) Purchases ii) Balance Transfers and Convenience Checks, and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each feature on your Account each day, including any periodic finance charges calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make other adjustments. If you multiply the average daily balances on this statement by the number of days in the billing period and by the applicable daily periodic rates, the results will be the periodic rate finance charges assessed, except for minor variations caused by rounding.

Iowa Residents - To determine the periodic rate finance charge we apply the applicable daily periodic rates, stated on this statement, to the average daily balances of i) Purchases ii) Balance Transfers and Convenience Checks, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each feature on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make other adjustments to determine each daily balance.

Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the average daily balances on this statement by the applicable periodic rates, the results will be the periodic rate finance charges assessed, except for minor variations caused by rounding.

All Customers: - All charges are treated as Purchases except Balance Transfer and Convenience Check Finance Charges which are treated as Balance Transfers, and Cash Advance Finance Charges and Transaction Finance Charges which are treated as Cash Advances. A credit balance is treated as a balance of zero. If we have "special" or "promotional" offers in effect from time to time, we will separately identify them on this statement and separately disclose the balances to which such special offers apply. These separate balances and the related periodic rate finance charge will be calculated in the same manner as described above.

Other Finance Charges If you use your Card or Account to obtain a Cash Advance, we will charge a Cash Advance Finance Charge for each such Cash Advance. If you use your Card or Account to do a Balance Transfer, we will charge a Balance Transfer Finance Charge for each such Balance Transfer. If you use a Convenience Check, we will charge a Convenience Check Finance Charge for each such Convenience Check. If you purchase money orders, wire transfers, travelers checks, lottery tickets, gambling chips or foreign currency, we will charge a Transaction Finance Charge for each such transaction. These amounts will be stated in the transaction activity section of this statement. The total finance charges on your Account for a monthly billing cycle will be the sum of the periodic rate finance charges plus any Cash Advance, Balance Transfer, Convenience Check, or any Transaction Finance Charges. The minimum periodic rate finance charge in any billing cycle you owe a periodic rate finance charge is indicated in your Cardmember Agreement.

Other Interest Charges In addition to the finance charges discussed previously, we may assess the other Interest Charges listed in your Cardmember Agreement. The present amount of such charges will be displayed in the transaction activity section on this statement.

Grace Period You will have a grace period on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances for periodic rate finance charge calculation purposes) and you will not pay a periodic rate finance charge on Purchases in any given billing cycle if you pay your Current Balance in full by the Payment Due Date on your current statement. There is no grace period on Balance Transfers, Convenience Checks, and Cash Advances.

Foreign Transactions Each transaction with a business or entity located outside of the United States or for each transaction in a currency other than U.S. Dollars will be charged a Foreign Transaction Fee that will appear on the applicable statement. See your Cardmember Agreement (as may have been amended) for more information.

Credit Bureau Disputes If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at 1-866-419-0881 or Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing Statement If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write Barclays at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. In your letter or email, please provide the following information: a) Your name and account number. b) The dollar amount; merchant name and date of the suspected error. c) Describe the error and explain, if you can, why you believe there is an error. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Notice of Billing Errors: You may submit written notices of possible billing errors by completing our Request Form available at usairwaysmastercard.com or you may draft a letter (see above). Please either mail to Card Services, P.O. Box 8802 Wilmington, DE 19899-8802 or fax to 1-866-390-3437. You may call us but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

IMPORTANT INFORMATION ABOUT THE VARIABLE RATES ON YOUR ACCOUNT

For any APR on your account that varies with the market based on the Prime Rate, we are changing the date that we use to determine the Prime Rate each billing cycle. Instead of using the highest Prime Rate on the first or last day of your billing cycle, which is our current practice, we will select the Prime Rate on the last business day of each calendar month. This means effective in February 2010, the Prime Rate used to determine the APRs on your account will be the highest rate published in the Money Rates column of *The Wall Street Journal* on the last business day of each calendar month. Any change in the Prime Rate will cause a corresponding change to your APR on the first day of the billing cycle that begins in the same month in which the applicable Prime Rate is published.

Use of your card within the 30-day period following receipt of this statement will not obligate you to pay the Annual Fee. Any use of your card or account after the 30-day period would indicate your intent to keep your account (and pay the Annual Fee), and would supersede your earlier notice to us.

When Periodic Rate Finance Charges begin to accrue We calculate the Average Daily Balance separately for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances. On Purchases, periodic rate finance charges begin to accrue as of the transaction date. For Balance Transfers and Convenience Checks a periodic rate finance charge will accrue from the day we send the Balance Transfer to the payee or the day the payee accepts the Convenience Check. For Cash Advances a periodic rate finance charge will accrue from the day you take the Cash Advance.

Periodic Rate Finance Charges

Non - Iowa Residents - To determine the periodic rate finance charge we apply the applicable daily periodic rates, stated on this statement, to the daily balances of i) Purchases ii) Balance Transfers and Convenience Checks, and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each feature on your Account each day, including any periodic finance charges calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make other adjustments. If you multiply the average daily balances on this statement by the number of days in the billing period and by the applicable daily periodic rates, the results will be the periodic rate finance charges assessed, except for minor variations caused by rounding.

Iowa Residents - To determine the periodic rate finance charge we apply the applicable daily periodic rates, stated on this statement, to the average daily balances of i) Purchases ii) Balance Transfers and Convenience Checks, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers and Convenience Checks, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each feature on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make other adjustments to determine each daily balance.

Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the average daily balances on this statement by the applicable periodic rates, the results will be the periodic rate finance charges assessed, except for minor variations caused by rounding.

All Customers: - All charges are treated as Purchases except Balance Transfer and Convenience Check Finance Charges which are treated as Balance Transfers, and Cash Advance Finance Charges and Transaction Finance Charges which are treated as Cash Advances. A credit balance is treated as a balance of zero. If we have "special" or "promotional" offers in effect from time to time, we will separately identify them on this statement and separately disclose the balances to which such special offers apply. These separate balances and the related periodic rate finance charge will be calculated in the same manner as described above.

Other Finance Charges If you use your Card or Account to obtain a Cash Advance, we will charge a Cash Advance Finance Charge for each such Cash Advance. If you use your Card or Account to do a Balance Transfer, we will charge a Balance Transfer Finance Charge for each such Balance Transfer. If you use a Convenience Check, we will charge a Convenience Check Finance Charge for each such Convenience Check. If you purchase money orders, wire transfers, travelers checks, lottery tickets, gambling chips or foreign currency, we will charge a Transaction Finance Charge for each such transaction. These amounts will be stated in the transaction activity section of this statement. The total finance charges on your Account for a monthly billing cycle will be the sum of the periodic rate finance charges plus any Cash Advance, Balance Transfer, Convenience Check, or any Transaction Finance Charges. The minimum periodic rate finance charge in any billing cycle you owe a periodic rate finance charge is indicated in your Cardmember Agreement.

Other Interest Charges In addition to the finance charges discussed previously, we may assess the other Interest Charges listed in your Cardmember Agreement. The present amount of such charges will be displayed in the transaction activity section on this statement.

Grace Period You will have a grace period on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances for periodic rate finance charge calculation purposes) and you will not pay a periodic rate finance charge on Purchases in any given billing cycle if you pay your Current Balance in full by the Payment Due Date on your current statement. There is no grace period on Balance Transfers, Convenience Checks, and Cash Advances.

Foreign Transactions Each transaction with a business or entity located outside of the United States or for each transaction in a currency other than U.S. Dollars will be charged a Foreign Transaction Fee that will appear on the applicable statement. See your Cardmember Agreement (as may have been amended) for more information.

THE CREDIT CARD ACT AND YOUR ACCOUNT

Officially known as the Credit Card Accountability, Responsibility, and Disclosure Act, the CARD Act was signed into law in May, 2009. This new law changes several provisions of your account, here are some main points:

- Our new statement format spells out in greater detail and larger type size, all you need to know about your credit card account including detail about repayment options.
- Starting in February, payments will be due on the same day each month making it easier for you to plan and budget. If you choose to pay more than your monthly minimum amount due, your extra payment will be applied to the balances with the highest APR first - a great way to reduce what you owe.
- The interest rate on **existing balances** will generally only be increased if your promotional rate expires, your account has a variable APR and the Prime Rate changes, or you are more than 60 days late in making a payment on your account (If the latter is the case, we will notify you 45 days before your rate is scheduled to increase.) And, unless any of the prior situations occur, your interest rate on **new balances** will not be increased for the first 12 months that you have your account.

Should you have any questions, please feel free to contact us toll-free at 1-866-419-0881.

We want to thank you for your business and we look forward to continuing to meet your credit needs.

lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement). If you are charged interest in a billing cycle, the amount of the Minimum Interest Charge that will be assessed on your Account in any billing cycle is disclosed in your Cardmember Agreement and will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance

We use a method called "daily balance". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

How We Will Calculate Your Balance (For Residents of Iowa at the Time of Account Opening).

We use a method called "average daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Monthly Periodic Rate (the "MPR") (the MPR for each category is the applicable APR shown on the front of the statement divided by 12) to the average daily balances of i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each balance category on your Account each day, add

to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the "Balance Subject to Interest Rate" for each balance category as disclosed on your monthly billing statement by the applicable MPR, the results will be the interest assessed, except for minor variations caused by rounding.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes:

If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing

Statement: If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write to us at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. You can phone us, but doing so will not preserve your rights.

In your letter, please give us the following information:

- (i) Your name and account number,
- (ii) The dollar amount of the suspected error.
- (iii) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your

statement that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Notice of Billing Errors: You may submit written notices of possible billing errors by drafting a letter (see above). Please mail to Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. You may call us, but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

THE CREDIT CARD ACT AND YOUR ACCOUNT

Officially known as the Credit Card Accountability, Responsibility, and Disclosure Act, the CARD Act was signed into law in May, 2009. This new law changes several provisions of your account, here are some main points:

- Our new statement format spells out in greater detail and larger type size, all you need to know about your credit card account including detail about repayment options.
- Starting in February, payments will be due on the same day each month making it easier for you to plan and budget. If you choose to pay more than your monthly minimum amount due, your extra payment will be applied to the balances with the highest APR first - a great way to reduce what you owe.
- The interest rate on **existing balances** will generally only be increased if your promotional rate expires, your account has a variable APR and the Prime Rate changes, or you are more than 60 days late in making a payment on your account (If the latter is the case, we will notify you 45 days before your rate is scheduled to increase.) And, unless any of the prior situations occur, your interest rate on **new balances** will not be increased for the first 12 months that you have your account.

Should you have any additional questions please log in to your account online at usairwaysmastercard.com or call 1-866-419-0881.

We want to thank you for your business and we look forward to continuing to meet your credit needs.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

We will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement. If you are charged interest in a billing cycle, the amount of the Minimum Interest Charge that will be assessed on your Account in any billing cycle is disclosed in your Cardmember Agreement and will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance

We use a method called "daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective

balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

How We Will Calculate Your Balance (For Residents of Iowa at the Time of Account Opening).

We use a method called "average daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Monthly Periodic Rate (the "MPR") (the MPR for each category is the applicable APR shown on the front of the statement divided by 12) to the average daily balances of i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each balance category on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the "Balance Subject to Interest Rate" for each balance category as disclosed on your monthly billing statement by the applicable MPR, the results will be the interest assessed, except for minor variations caused by rounding.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes:

If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing Statement: If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write to us at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. You can phone us, but doing so will not preserve your rights.

In your letter, please give us the following information:

- (i) Your name and account number,

- (ii) The dollar amount of the suspected error.

- (iii) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount in question.

Notice of Billing Errors: You may submit written notices of possible billing errors by drafting a letter (see above). Please mail to Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. You may call us, but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

Important Information

Page 6 of 6

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

How We Will Calculate Your Balance (For Residents of Iowa at the Time of Account Opening).

We use a method called "average daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Monthly Periodic Rate (the "MPR") (the MPR for each category is the applicable APR shown on the front of the statement divided by 12) to the average daily balances of i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each balance category on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the "Balance Subject to Interest Rate" for each balance category as disclosed on your monthly billing statement by the applicable MPR, the results will be the interest assessed, except for minor variations caused by rounding.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes:

If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing Statement: If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write to us at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. You can phone us, but doing so will not preserve your rights.

In your letter, please give us the following information:

- (i) Your name and account number,

- (ii) The dollar amount of the suspected error.

- (iii) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount in question.

Notice of Billing Errors: You may submit written notices of possible billing errors by drafting a letter (see above). Please mail to Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. You may call us, but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

Important Information

Page 6 of 6

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Card Services, PO Box 8802, Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

We will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement. If you are charged interest in a billing cycle, the amount of the Minimum Interest Charge that will be assessed on your Account in any billing cycle is disclosed in your Cardmember Agreement and will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance: We use a method called "daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any

payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

How We Will Calculate Your Balance (For Residents of Iowa at the Time of Account Opening). We use a method called "average daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Monthly Periodic Rate (the "MPR") (the MPR for each category is the applicable APR shown on the front of the statement divided by 12) to the average daily balances of i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each balance category on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the "Balance Subject to Interest Rate" for each balance category as disclosed on your monthly billing statement by the applicable MPR, the results will be the interest assessed, except for minor variations caused by rounding.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8803. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing Statement: If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write to us at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. You can phone us, but doing so will not preserve your rights.

In your letter, please give us the following information:

(i) Your name and account number,

(ii) The dollar amount of the suspected error.

(iii) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount in question.

Notice of Billing Errors: You may submit written notices of possible billing errors by drafting a letter (see above). Please mail to Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. You may call us, but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

IMPORTANT CHANGES TO YOUR ACCOUNT TERMS

The way in which we calculate your minimum monthly payment is changing on your account. This change may result in an increase to your minimum monthly payment. Beginning with your payment due date in 09/2010 your required minimum payment will be the amount that equals 1% of your statement balance plus any interest charges, returned payment charges and late payment fees (if any) that may be assessed in a particular billing cycle (see below for the actual description of the calculation). To avoid late fees, a payment of at least the required minimum monthly payment each month is required to be made by your payment due date which is now the same date each month. You always have the option of paying more than the minimum payment on your account. Beginning with your payment due date in 09/2010, the following replaces the paragraph in your Cardmember Agreement (as may have been amended) that discusses how your Minimum Payment Due is calculated:

Your Minimum Payment Each Month.

Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. If the Statement Balance shown on your monthly statement is less than \$20, your Minimum Payment Due (due by the Payment Due Date) will be that Statement Balance amount. Otherwise, if your Statement Balance is equal to or greater than \$20, your Minimum Payment Due will be the greater of \$20 or the total of 1) 1% of the Principal Balance (defined as the total Statement Balance minus interest charges, Returned Payment Fee, and any Late Payment Fee that are incurred during the current billing cycle), plus 2) interest charges accrued during the current billing cycle, plus 3) any Returned Payment Fee and any Late Payment Fee incurred during the current billing cycle, plus 4) if we so elect, any amount past due or amount over your credit line at the time of billing. In certain instances your Minimum Payment Due may be less than your total fees and interest assessed in that billing cycle. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next payment due date.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

We will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement. If you are charged interest in a billing cycle, the amount of the Minimum Interest Charge that will be assessed on your Account in any billing cycle is disclosed in your Cardmember Agreement and will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance: We use a method called "daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any

payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

How We Will Calculate Your Balance (For Residents of Iowa at the Time of Account Opening). We use a method called "average daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Monthly Periodic Rate (the "MPR") (the MPR for each category is the applicable APR shown on the front of the statement divided by 12) to the average daily balances of i) Purchases, ii) Balance Transfers, and iii) Cash Advances. The average daily balances for Purchases, for Balance Transfers, and for Cash Advances are calculated separately and determined as follows: We take the beginning balances for each balance category on your Account each day, add to the respective balances any new transaction, subtract any payments or credits and make any other applicable adjustment(s). A credit balance is treated as a balance of zero. Then we take the sum of all daily balances and divide by the number of days in the billing period to determine the average daily balance. If you multiply the "Balance Subject to Interest Rate" for each balance category as disclosed on your monthly billing statement by the applicable MPR, the results will be the interest assessed, except for minor variations caused by rounding.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8803. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

In Case of Errors or Questions About Your Billing Statement: If you think your billing statement is wrong, or if you need more information about a transaction on your billing statement, write to us at the address below as soon as possible. We must hear from you no later than 60 days after we sent you the first billing statement on which the error or problem appeared. You can phone us, but doing so will not preserve your rights.

In your letter, please give us the following information:

(i) Your name and account number,

(ii) The dollar amount of the suspected error.

(iii) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your statement that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Notice of Billing Errors: You may submit written notices of possible billing errors by drafting a letter (see above). Please mail to Card Services, P.O. Box 8802, Wilmington, DE 19899-8802. You may call us, but doing so will not preserve your rights under the Fair Credit Billing Act (FCBA).

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- *Account information* : Your name and account number.
- *Dollar amount*: The dollar amount of the suspected error.
- *Description of problem* : If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (**Note:** Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Accrual of Interest and How to Avoid Paying Interest on Purchases.

We will not charge you interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. We will begin charging interest on Balance Transfers, Checks and Cash Advances on the transaction date. For more details please see your Cardmember Agreement. If you are charged interest in a billing cycle, the amount of the Minimum Interest Charge that will be assessed on your Account in any billing cycle is disclosed in your Cardmember Agreement and will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

How We Will Calculate Your Balance: We use a method called "daily balance (including new purchases)". To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for Purchases, for Balance Transfers, and for Cash Advances. We apply the applicable Daily Periodic Rate (the "DPR") (the DPR for each category is the applicable APR shown on the front of the statement divided by 365), to each of the applicable daily balances for i) Purchases, ii) Balance Transfers and iii) Cash Advances. The daily balances for Purchases, for Balance Transfers and for Cash Advances are each calculated separately and determined as follows: We take the beginning balances for each transaction type on your Account each day, including any interest calculated on the previous day's balance, add to the respective balances any new transaction, subtract any

payments or credits and make any other applicable adjustment(s). This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. If you multiply the "Balance Subject to Interest Rate" for each balance category as shown on your monthly billing statement by the number of days in the billing period and then multiply each sum by the applicable DPR, the results will be the interest assessed, except for minor variations caused by rounding.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8803. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- *Account information* : Your name and account number.
- *Dollar amount*: The dollar amount of the suspected error.
- *Description of problem* : If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (**Note:** Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period), but not on Cash Advances or Balance Transfers. We will not charge you interest on Purchases in a billing cycle if you pay your entire Statement Balance by the Payment Due Date each month. However, effective 11/16/2010 (unless you have timely rejected this change to your account terms in accordance with the instructions on the change in terms notice provided to you) can avoid interest on Purchases only if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement.

If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report

you as delinquent on that amount.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8801 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or

other fees related to that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802

In your letter, give us the following information:

- **Account information:** Your name and account number.

- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services

Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc.

will be considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.

Paying Interest. Your due date is at least 23 days after the close of each billing cycle. Interest will accrue on a Purchase, Cash Advance, or Balance Transfer from the date it is added to the daily balance until it is paid in full. You can avoid interest charges on Purchases, but not on Cash Advances or Balance Transfers. You can avoid interest on Purchases (except for purchases of money orders, travelers checks, foreign currency, lottery tickets, gambling chips, or wire transfers which are treated as Cash Advances and do not have a grace period) if you pay your Statement Balance by the Payment Due Date every billing cycle. If you do not pay your Statement Balance by the Payment Due Date, you must then pay your Statement Balance by the Payment Due Date for two billing cycles in a row to again be able to avoid interest on Purchases when they are first billed to a statement. If you are charged interest in a billing cycle we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than the amount of the Minimum Interest Charge that was disclosed in your Cardmember Agreement. If a Minimum Interest Charge is applied to your Account in a billing cycle it will appear on your statement as a "Minimum Interest Charge" or "Minimum Charge" in the Summary of Fees section on your statement.

No Pre-Set Spending Limit:

"No Pre-Set Spending Limit" does not mean unlimited spending, it means we may permit you from time to time at our discretion to make certain charges that will cause your outstanding balance to exceed your revolving credit line. Any such charge will be considered on an individual basis and such evaluation will be based on your account spending and payment history as well as your experience with other creditors. If you exceed your revolving credit line, then you must pay, with your Minimum Payment Due, the amount by which your balance exceeds your revolving credit line, including amounts due to Purchases, Cash Advances, Interest charges, Fees, or other charges.

Credit Bureau Disputes: If you believe that an entry we have made on your credit bureau report is inaccurate or incomplete, please contact the reporting agency directly or contact us at Card Services, P.O. Box 8803 Wilmington, DE 19899-8801. Please include your name; your account number; the credit reporting agency where you received the bureau report; a description of the error; and why you believe it is an error. We will promptly investigate, notify you of our findings, and send an update to the credit bureaus if warranted within 30 days.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors **in writing**. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Card Services
P.O. Box 8802
Wilmington, DE 19899-8802.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

Please refer to your Cardmember Agreement for additional information about the terms of your Account.

Lost or Stolen Card: Your credit card is issued by Barclays Bank Delaware. If your card is lost or stolen, please contact us immediately at 1-866-419-0881 at any time.

Payment Information: Each billing cycle, you must pay at least the Minimum Payment Due shown on your monthly statement by its Payment Due Date. Both the Minimum Payment Due and Payment Due Date are noted on your statement and on the Accounts page when you login to usairwaysmastercard.com. At any time you may pay more than the Minimum Payment Due up to the full amount you owe us, however you cannot "pay ahead". This means that if you pay more than the required Minimum Payment Due in any billing cycle or if you make more than one payment in a billing cycle, you will still need to pay the next month's required Minimum Payment Due by your next Payment Due Date. Remember to make all checks payable to Card Services. **Please allow 7 days for the U.S. Postal Service to deliver your payment to us. Upon our receipt, your available credit may not be increased by the payment amount for up to 7 days to ensure the funds from the bank on which your payment is drawn are collected and not returned.** When you provide a check as payment on this Account, you authorize us to either use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. For inquiries, or to opt out of one-time electronic fund transfers, please call 1-866-419-0881.

Mailed Payments: A conforming payment received by us by 5 p.m. ET will be credited to your account the day of receipt. A "conforming payment" is a payment that: 1) is mailed using the enclosed envelope and payment coupon included with this statement or mailed with a payment coupon printed from usairwaysmastercard.com to Card Services, P.O. Box 13337 Philadelphia, PA 19101-3337; and 2) is in the form of a single, non-folded check or money order made payable in US dollars from a US based institution. Any payment that does not meet these requirements, or any payment with multiple checks or money orders, additional correspondence, staples, paperclips, etc. will be

considered a "non-conforming payment" which may delay the crediting of the payment for up to 5 days.

Other Payment Options:

Online: Visit usairwaysmastercard.com to sign up for Pay Credit Card to pay your account online. Payments made on our website by 7:00 P.M. ET will be credited to your account that same day.

Pay by phone: To make a payment by phone please call 1-866-419-0881. Payments made by phone by 7:00 P.M. ET will be credited to your account that same day.

Overnight Payments: Send overnight courier service or USPS Priority Mail payments to REMITCO, Card Services, Lock Box 913337, 2080 Cabot Boulevard West, Langhorne, PA 19047. A payment received at this address by 5 P.M. ET that otherwise meets the requirements of a conforming payment will be credited to your account that same day.

How We Will Calculate Your Balance Subject to Interest Rate.

We use a method called "daily balance" (including new purchases). To determine the amount of the interest to be charged on your Account we first calculate the "Balance Subject to Interest Rate" separately for each balance subject to different terms (for example, Purchases, Balance Transfers, Cash Advances, and each promotional balance). For each balance type shown on your monthly statement, we apply the applicable DPR to each of the daily balances. The daily balances for each balance type are calculated separately and determined as follows: We take the beginning balance for each balance type each day, including any interest calculated on the previous day's balance, add any new transactions (including transaction fees and account fees), subtract any payments or credits, and make any other applicable adjustments. This Agreement provides for compounding of interest. A credit balance is treated as a balance of zero. We add all the daily interest charges and the sum is the interest charges on that balance type for that billing cycle.

A Purchase is added to the daily balance on the transaction date. A Check is added to the daily balance on the day we receive the Check and post it to your account. A Balance Transfer, other than one made by Check, is added to the daily balance on the transaction date, which is the day we get your request for the Balance Transfer. A Cash Advance, other than one made by Check, is added to the daily balance on the transaction date.
